Cub and Scout finance drive to start Mar. 31

At a meeting in the library of the North School Tuesday evening, the section leaders for the 1945 Cub and Scout finance drive were selected. For the purpose of organization and administration, A. H. Franzen, chairman of the drive, has announced that there will be seven divisions. Each division will have a leader who will be responsible for organizing the drive within his section. The drive leaders are W. A. Miles, Stonegate; Lester McAuliffe, Scarsdale; Dr. E. J. Hunsinger, Sherwood; Adolph Wiegand, south of Northwest Highway and east of Chestnut; Arthur Blaschke, south of Northwest Highway and west of Chestnut; Robert Evans, north of Northwest Highway and east of Dunton; Oral Cline, north of Northwest Highway and west of Dunton.

The drive is scheduled to open March 31, to continue for one week. Each year the good neighbors of Arlington Heights give of their time and money to see to it that the scouting and cubbing program is available for their boys, through the Northwest Suburban Council.

"The Scouts and Cubs of Arlington Heights are utilizing the training provided by the scout program," states Mr. Franzen, "and with a goal of 'every Arlington boy a scout' we will need more financial help and I know that Arlington will respond."

Baker rolls in dough

E. LaBant, Arlington baker, won a total of $110.75, and that is real dough, say his friends.

Your Schools

This is the third in a series of articles by Superintendent R. E. Clabaugh and Eleanor Milstead on Schools and School Legislation.

DID YOU KNOW:

That the state of Illinois makes no financial contribution toward the maintenance of the kindergartens.

That this represents a failure on the part of our state to recognize a part of education which is vitally important in giving to our children:

1. An early establishment and practice of good health habits.
2. Help in learning to live, work and play acceptably with other people.
3. Guidance in wise use of leisure time.
4. Help toward a realization and development of the ability to use their hands with satisfactory results.
5. Preparation for the more formal education to follow.
6. Experience during an important formative year in the building of constructive habits and attitudes significant into adult life.

That kindergartens are considered by authorities to be of as much value in a complete education as other grades and that their inclusion should be a part of any good school system.

That you can use some of these reasons when you write your legislators asking for the inclusion of kindergartens in the state aid program.

Tax deadline in country towns is April 21st

With all tax bills in the mail by April 1, the township collectors will be given until April 21 to make their collections in the county townships.

Penalty date is May 1st, down at the county building, but the collections in the country towns always close earlier because of the law allowing the town collectors to hold the books 21 days.

Both County Treasurer Victor L. Schlaeger and the town collectors ask the tax payers to make their payments as early as possible.

With the acute shortage of help the last minute jam at the county building will be worse than ever and the country towns taxpayers can avoid all this confusion and delay by making their payments at home and in comfort to their town collectors before the deadline of April 21.

Fireman first aid squad answers emergency call

The use of an inhalator on the part of the first aid squad of the Arlington Heights Fire Department made possible a trip to St. Francis hospital, Evanston Tuesday afternoon for Ernest O. Ogren, 905 N. Chestnut st., Arlington Heights. Mr. Ogren is still in a serious condition.

It is presumed that gas inhaled from a refrigerator which he attempted to repair a week earlier brought on a case of pneumonia. Tuesday noon, the physician found his condition so serious that the first aid squad was called. Capt. Frank Jahn, assisted by Oswald Meyer responded and after 90 minutes his condition was such that a hospital trip was possible.

Brother killed in Germany

Gordon E. Haskins, 302 E. McDonald rd., Prospect Heights, received word last Thursday of the death of his brother, S-Sgt. Walter B. Haskins, 30, who was killed in action in Germany on March 1.

S-Sgt. Haskins was with the infantry, and although he had been in service for three years, he had only been overseas 6 months. He is survived by his wife Edris and 2 month old son Jeffrey of Hillsdale, Mich.; his mother, Mrs. Mae Haskins of Pittsford, Mich.; three brothers and three sisters.

Mrs. T. F. Coleman to head committee for relief clothing

At the request of Henry J. Kaiser, national chairman of the committee that is seeking several million tons of used clothing for the people in the war devastated areas, Mayor Goedke has secured the consent of Mrs. Thos. F. Coleman to act as Arlington Heights chairman.

Mrs. Coleman is awaiting full details and will announce next week the method that will be followed to collect the clothing in Arlington. In the meantime she suggests that right now before the spring house cleaning time is an opportunity to lay aside clothing that can be utilized for such a noble purpose. "America has the opportunity to show the unfortunates of Europe that we have a heart as well as armed strength," says Mrs. Coleman.

Barbers raise prices for shaves and hair cuts

Barbers of the Northwest towns, from Des Plaines north, will place a new price in effect April 1st. Haircuts, massage, and shampoos will advance ten cents, shaves will advance frm 35c to 40c. Haircuts of children of grade school age after five o'clock will be discouraged by an advance in price to 75c. Before five o'clock, except Saturdays they will be 50c in place of the present 40c.

Under the new prices, haircuts on week days will be 75c, Saturdays 85c. All barber shops will be closed all day Wednesdays and the closing hour on Saturdays will be 7:30, the same as on other days.

Tin can pickup Friday, March 30

The Salvage Committee announces that there will be a tin can pick up on Friday morning, Mar. 30. The pick up will start at 8:00 a. m. Housewives are requested to arrange to have the cans on the curb the night before, Thursday, the 29th.

The Salvage Committee has Mayor Goedke and the Village Board to thank for this arrangement as the village trucks under the direction of Wm. Luehring, street commissioner, will pick up the cans, which should be placed in cartons or paper bags.

Merle Guild Post to observe Legion birthday

Tuesday, March 27 Merle Guild Post and Unit will celebrate the birthday of the American Legion.

The members of the Auxiliary are arranging for a pot luck dinner to be served at 6:30 p. m. and all post members are invited to be present with their wives.

Mrs. P. L. May, president of the auxiliary says that a report will appear in the auxiliary items with further reference to the dinner.

Commander Young and his corps of officers will see that a program befitting the occasion is prepared, so remember this date.

Servicemen on furlough and discharged veterans are extended a cordial welcome to attend this affair.

Charlie Wilson, post rehabilitation chairman, is ready to assist any veteran who needs the assistance of the Legion in connection with a return to civilian status after his tour of duty with the armed forces.

If you know of any serviceman or woman whose name should appear upon the honor roll communicate with Charles Wilson or Francis K. Wilton of this village.

Pfc. Elmer Piepenbrink dies in Germany

Word was received Sunday by Mr. and Mrs. Fred Piepenbrink, Rand Road, Mt. Prospect, that their son, Pfc. Elmer H. Piepenbrink was killed in action March 6 in Germany. Details of his death are expected later. Elmer had been awarded the purple heart for wounds he received in Germany November 24. Following his recovery in an English hospital, he returned to duty January 11.

Pfc. Piepenbrink entered service May 5, 1944, received his preliminary training at Fort McClellan, Ala.; was sent to Fort Meade, Md., from which place he left the states October 10. The last letter received by his parents was dated February 21 when he wrote that he was fine but that letters would be less frequent because there was heavy fighting ahead for them.

Son reports Arlington war product protects Marines on Guam

There's an added zest on the part of workers in the Arlington Heights plant of Arlington Packaging Co. since the receipt of a letter from Guam acknowleding the effectiveness of the dehydrating agent that is being packed by that firm. The letter written by Pfc. Merlind Kost of the Marines was addressed to his mother, Mrs. Lora Kost, who, with other Arlington women are helping in the war effort by packaging a material that is keeping moisture away from delicate instruments. Merlind mailed back two of the packages that he had found with equipment that passed through his hands. "It was almost as good as getting a letter from home," wrote Merlind.

Many elections to be held in month of April

April, 1945, is a big election month in a number of ways. The election calendar in Wheeling township calls for six elections, and the man who wants to vote at all of them will have to watch his step unless he carries a directory of the polling places.

Here they are:

April 3 —

Township election with thirteen precincts throughout the township.

Arlington Heights Park District with two election precincts, field house and South Vail.

April 14 —

High school election with polling place in Arlington Heights village hall and Mt. Prospect school house.

Non-high school election for territory not within the high school district; polling place, Wheeling.

Elementary school elections throughout the township.

Township school election for school truseest, three polling places, Wheeling school house for districts 20 and 21, Prospect Heights school for districts 22 and 23, north side school. Arlington Heights for districts 25 and 26.

April 17

Village elections in all municipalities.

School nominations

Saturday, March 24, is the last day that nomination petitions can be filed for school officers, either high school or elementary school boards of education. District school boards hold public caucus an hour before voting starts on April 14.

S-Sgt. Roy Beese wounded in Europe

Staff Sergeant Roy Beese has been slightly wounded it was learned this week. Roy wrote his parents, Mr. and Mrs. Albert Beese, that he had been wounded, but that it was nothing serious and nothing to worry about. He spoke of getting a two day pass, and, thus, he was not wounded sufficiently to warrant hospitalization.

Navy to use men for work at Glenview

Nazis will live at airfield

Commander W. I. Staples, U. S. N. R., executive officer of the naval station at Glenview was in Arlington Heights last week consulting Mayor Goedke regarding the possible location of 400 German war prisoners at the Arlington naval auxiliary flying field. The officer advised the mayor that the purpose of his visit was to get the attitude of the people of Arlington Heights to such an arrangement.

The men would be utilized as auxiliary labor at the Glenview base. Prisoners of war used for such a purpose are well screened and the problem individuals are not included in such projects. A wired compound about the buildings at the auxiliary base would be constructed and 60 naval guards would be provided. This would be the first use of prisoners of war by the Glenview base.

Mayor Goedke informed the village board Monday evening that he had told the naval authorities that he saw no reason why Arlington would object to such an arrangement.

Commander Staples made it plain that no definite decision has yet been made and his visit was in the nature of a survey on the possibility of war prisoners being placed at his disposal.

Raise pay of clerk

The village board passed an ordinance Monday evening raising the pay of the village clerk to $175 a month. As an elective officer the salary could not be increased during the term of office and it was a gentleman's agreement made two years ago with the village clerk that a salary adjustment would be made before the beginning of a new term of office.

The V. F. W. was granted permission to hold a poppy sale May 26th. Ben Koeppen was awarded the contract for erecting walls for the new office of the street department at a price of $275. Otto Stier was released from the contract previously awarded to him.

Anticipating a big demand for water meters the board purchased a supply and learned that there is an increase of $3.00 each in the price of meters, which increase will be passed on to the consumers.

The board received a letter from Mrs. Luella Windheim, 209 So. Evergreen that she recently received injuries when she stepped onto a manhole cover that was not properly fastened. Her letter will be referred to the insurance company.

Chief Skoog was directed to attend a Cook County Traffic Court conference this week.

The water department delinquent list has hit an all time low. There is less than $100 due the village from delinquent water consumers.

CHILD BITTEN BY DOG

Eisenhower awards are offered in paper drive

Scrap paper will be picked up rain or shine in Arlington Heights on Saturday, April 14.

In the meantime Boy Scouts are working enthusiastically toward unit and individual awards which General Eisenhower, because of the urgent need for paper, is sponsoring.

Each boy collecting 1,000 pounds of waste paper will be given the Eisenhower individual award — a wastepaper campaign medal.

Each organization which gathers an amount of waste paper equivalent to 1,000 pounds per boy will be presented with a world war II shell container. This is a genuine "veteran" shell case returned from a European battlefield after use there, and carries a printed citation by General Eisenhower, suitable for permanent display in the meeting place. It will be a 75mm shell container or larger.

In last year's waste paper campaign the boy scouts were asked to collect 100,000 tons and they came through—as the nation knew they would. Now the call is for 150,000 tons. Stepped up offensives in the Pacific and Europe have placed war material requirements at an all-time peak.

In the war effort, all kinds of paper are used to make, wrap or tag the thousands of items sent to our armed forces.

Housewives, storekeepers and others are urged to separate and turn in wastepaper scraps, brown bags and wrapping paper, all corrugated and cardboard boxes and cartons, magazines, books, and newspapers. These are the raw material of blood plasma boxes, supply parachutes, helmet linings, and shell and ration containers.

300 pages testimony taken in hearing of Thermal-Tite

Thermaltite Mfg. Co. must wait until next month before receiving a definite decision by the Cook County Zoning Board of Appeals regarding their request for authority to rebuild its factory, which was partially destroyed by fire last fall.

300 pages of testimony were taken at the hearing Tuesday which extended from 10 a. m. to 5:30 p. m. Due to the absence of Mr. Atwood from Illinois, Attorney Harvey Adams, also of Arlington Heights, represented the objectors.

The matter was taken under advisement by the board awaiting an April meeting when the full membership of that body will be in Chicago.

Opposition to the rebuilding of the factory is being waged by residents of Scarsdale and Stonegate. The village of Arlington Heights has not officially filed any objection. Three hearings have been held.

Thanks window trimmer at ration board

The personnel of the Arlington Heights Ration Board wish to publicly thank Frederick A. Walter of 816 N. Central ave., Arlington Heights, for the fine job of keeping the windows at 110 N. Evergreen ave. decorated for the past several months. He has been giving his time and material gratis.

People passing by pause to look and the board has received many favorable comments. Mr. Walter is a professional window trimmer.

Northwest realtors to meet Friday at Simsons

Northwest Suburban Board of Realtors will have some legislative headliners as their guest speakers at their March meeting which will be held Friday evening at Simsons. Donald Florence, who is acting chairman of the board's legislative committee has announced that the subject of the round table discussion will be "Problems before the Illinois State Legislature," including real estate license law, price and rent control and property restriction and zoning.

The headliners who have agreed to attend are Bernice Van der Vries, and Fred A. Virkus, members of the state legislature and Arthur Bidwell, state senator. Larry Holmes, executive-secretary of Illinois Association of Real Estate Brokers, will direct the discussion.

S-Sgt. Haskins was with the infantry, and although he had been in service for three years, he had only been overseas 6 months. He is survived by his wife Edris and 2 month old son Jeffrey of Hillsdale, Mich.; his mother, Mrs. Mae Haskins of Pittsford, Mich.; three brothers and three sisters.

Wilbert Gieseke missing in Pacific

1st Lt. Wilbert H. Gieseke, son of Mr. and Mrs. Arthur H. Gieseke, Buffalo Grove road, Arlington Heights, has been declared missing in action. Wilbert was a Marine pilot of a Corsair plane, land-based fighter.

Lt. Gieseke left San Diego, California, about two months ago. He never revealed just where he was

located but it was believed to be at a shore station. His fiance, Miss Elaine Fousse, lives in Coronado, California.

Lt. Gieseke was awarded his wings at Corpus Christi, Texas, the end of June, 1943. He had previous training at Iowa City, Iowa, and Glenview. After gaining his wings he was transferred to Hollywood, California.

Mr. and Mrs. Gieseke have two more sons in service, Arthur in Hawaii, and Richard in France.

Tin can pickup Friday, March 30

The Salvage Committee announces that there will be a tin can pick up on Friday morning, Mar. 30. The pick up will start at 8:00 a. m. Housewives are requested to arrange to have the cans on the curb the night before, Thursday, the 29th.

The Salvage Committee has Mayor Goedke and the Village Board to thank for this arrangement as the village trucks under the direction of Wm. Luehring, street commissioner, will pick up the cans, which should be placed in cartons or paper bags.

Merle Guild Post to observe Legion birthday

Tuesday, March 27 Merle Guild Post and Unit will celebrate the birthday of the American Legion.

The members of the Auxiliary are arranging for a pot luck dinner to be served at 6:30 p. m. and all post members are invited to be present with their wives.

Mrs. P. L. May, president of the auxiliary says that a report will appear in the auxiliary items with further reference to the dinner.

Commander Young and his corps of officers will see that a program befitting the occasion is prepared, so remember this date.

Servicemen on furlough and discharged veterans are extended a cordial welcome to attend this affair.

Charlie Wilson, post rehabilitation chairman, is ready to assist any veteran who needs the assistance of the Legion in connection with a return to civilian status after his tour of duty with the armed forces.

If you know of any serviceman or woman whose name should appear upon the honor roll communicate with Charles Wilson or Francis K. Wilton of this village.

Pfc. Elmer Piepenbrink dies in Germany

Word was received Sunday by Mr. and Mrs. Fred Piepenbrink, Rand Road, Mt. Prospect, that their son, Pfc. Elmer H. Piepenbrink was killed in action March 6 in Germany. Details of his death are expected later. Elmer had been awarded the purple heart for wounds he received in Germany November 24. Following his recovery in an English hospital, he returned to duty January 11.

Pfc. Piepenbrink entered service May 5, 1944, received his preliminary training at Fort McClellan, Ala.; was sent to Fort Meade, Md., from which place he left the states October 10. The last letter received by his parents was dated February 21 when he wrote that he was fine but that letters would be less frequent because there was heavy fighting ahead for them.

Son reports Arlington war product protects Marines on Guam

There's an added zest on the part of workers in the Arlington Heights plant of Arlington Packaging Co. since the receipt of a letter from Guam acknowleding the effectiveness of the dehydrating agent that is being packed by that firm. The letter written by Pfc. Merlind Kost of the Marines was addressed to his mother, Mrs. Lora Kost, who, with other Arlington women are helping in the war effort by packaging a material that is keeping moisture away from delicate instruments. Merlind mailed back two of the packages that he had found with equipment that passed through his hands. "It was almost as good as getting a letter from home," wrote Merlind.

Many elections to be held in month of April

April, 1945, is a big election month in a number of ways. The election calendar in Wheeling township calls for six elections, and the man who wants to vote at all of them will have to watch his step unless he carries a directory of the polling places.

Here they are:

April 3 —

Township election with thirteen precincts throughout the township.

Arlington Heights Park District with two election precincts, field house and South Vail.

April 14 —

High school election with polling place in Arlington Heights village hall and Mt. Prospect school house.

Non-high school election for territory not within the high school district; polling place, Wheeling.

Elementary school elections throughout the township.

Township school election for school truseest, three polling places, Wheeling school house for districts 20 and 21, Prospect Heights school for districts 22 and 23, north side school, Arlington Heights for districts 25 and 26.

April 17

Village elections in all municipalities.

School nominations

Saturday, March 24, is the last day that nomination petitions can be filed for school officers, either high school or elementary school boards of education. District school boards hold public caucus an hour before voting starts on April 14.

S-Sgt. Roy Beese wounded in Europe

Staff Sergeant Roy Beese has been slightly wounded it was learned this week. Roy wrote his parents, Mr. and Mrs. Albert Beese, that he had been wounded, but that it was nothing serious and nothing to worry about. He spoke of getting a two day pass, and, thus, he was not wounded sufficiently to warrant hospitalization.

Navy to use men for work at Glenview

Nazis will live at airfield

Commander W. I. Staples, U. S. N. R., executive officer of the naval station at Glenview was in Arlington Heights last week consulting Mayor Goedke regarding the possible location of 400 German war prisoners at the Arlington naval auxiliary flying field. The officer advised the mayor that the purpose of his visit was to get the attitude of the people of Arlington Heights to such an arrangement.

The men would be utilized as auxiliary labor at the Glenview base. Prisoners of war used for such a purpose are well screened and the problem individuals are not included in such projects. A wired compound about the buildings at the auxiliary base would be constructed and 60 naval guards would be provided. This would be the first use of prisoners of war by the Glenview base.

Mayor Goedke informed the village board Monday evening that he had told the naval authorities that he saw no reason why Arlington would object to such an arrangement.

Commander Staples made it plain that no definite decision has yet been made and his visit was in the nature of a survey on the possibility of war prisoners being placed at his disposal.

Raise pay of clerk

The village board passed an ordinance Monday evening raising the pay of the village clerk to $175 a month. As an elective officer the salary could not be increased during the term of office and it was a gentleman's agreement made two years ago with the village clerk that a salary adjustment would be made before the beginning of a new term of office.

The V. F. W. was granted permission to hold a poppy sale May 26th. Ben Koeppen was awarded the contract for erecting walls for the new office of the street department at a price of $275. Otto Stier was released from the contract previously awarded to him.

Anticipating a big demand for water meters the board purchased a supply and learned that there is an increase of $3.00 each in the price of meters, which increase will be passed on to the consumers.

The board received a letter from Mrs. Luella Windheim, 209 So. Evergreen that she recently received injuries when she stepped onto a manhole cover that was not properly fastened. Her letter will be referred to the insurance company.

Chief Skoog was directed to attend a Cook County Traffic Court conference this week.

The water department delinquent list has hit an all time low. There is less than $100 due the village from delinquent water consumers.

CHILD BITTEN BY DOG

The sacred rite of baptism will be administered to infants also.

A beautiful Christian flag was presented to the church by Mr. and Mrs. Ernest T. Wolf of Mt. Prospect. The flag is a memorial given in loving memory of Mr. Wolf's father, who recently passed away. There is no more lasting or abiding memorial to ones we love than to place a Memorial in the house of worship.

Mrs. T. F. Coleman to head committee for relief clothing

At the request of Henry J. Kaiser, national chairman of the committee that is seeking several million tons of used clothing for the people in the war devastated areas, Mayor Goedke has secured the consent of Mrs. Thos. F. Coleman to act as Arlington Heights chairman.

Mrs. Coleman is awaiting full details and will announce next week the method that will be followed to collect the clothing in Arlington. In the meantime she suggests that right now before the spring house cleaning time is an opportunity to lay aside clothing that can be utilized for such a noble purpose. "America has the opportunity to show the unfortunates of Europe that we have a heart as well as armed strength," says Mrs. Coleman.

Barbers raise prices for shaves and hair cuts

Barbers of the Northwest towns, from Des Plaines north, will place a new price in effect April 1st. Haircuts, massage, and shampoos will advance ten cents, shaves will advance frm 35c to 40c. Haircuts of children of grade school age after five o'clock will be discouraged by an advance in price to 75c. Before five o'clock, except Saturdays they will be 50c in place of the present 40c.

Under the new prices, haircuts on week days will be 75c, Saturdays 85c. All barber shops will be closed all day Wednesdays and the closing hour on Saturdays will be 7:30, the same as on other days.

Eisenhower awards are offered in paper drive

Scrap paper will be picked up rain or shine in Arlington Heights on Saturday, April 14.

In the meantime Boy Scouts are working enthusiastically toward unit and individual awards which General Eisenhower, because of the urgent need for paper, is sponsoring.

Each boy collecting 1,000 pounds of waste paper will be given the Eisenhower individual award — a wastepaper campaign medal.

Each organization which gathers an amount of waste paper equivalent to 1,000 pounds per boy will be presented with a world war II shell container. This is a genuine "veteran" shell case returned from a European battlefield after use there, and carries a printed citation by General Eisenhower, suitable for permanent display in the meeting place. It will be a 75mm shell container or larger.

In last year's waste paper campaign the boy scouts were asked to collect 100,000 tons and they came through—as the nation knew they would. Now the call is for 150,000 tons. Stepped up offensives in the Pacific and Europe have placed war material requirements at an all-time peak.

In the war effort, all kinds of paper are used to make, wrap or tag the thousands of items sent to our armed forces.

Housewives, storekeepers and others are urged to separate and turn in wastepaper scraps, brown bags and wrapping paper, all corrugated and cardboard boxes and cartons, magazines, books, and newspapers. These are the raw material of blood plasma boxes, supply parachutes, helmet linings, and shell and ration containers.

300 pages testimony taken in hearing of Thermal-Tite

Thermaltite Mfg. Co. must wait until next month before receiving a definite decision by the Cook County Zoning Board of Appeals regarding their request for authority to rebuild its factory, which was partially destroyed by fire last fall.

300 pages of testimony were taken at the hearing Tuesday which extended from 10 a. m. to 5:30 p. m. Due to the absence of Mr. Atwood from Illinois, Attorney Harvey Adams, also of Arlington Heights, represented the objectors.

The matter was taken under advisement by the board awaiting an April meeting when the full membership of that body will be in Chicago.

Opposition to the rebuilding of the factory is being waged by residents of Scarsdale and Stonegate. The village of Arlington Heights has not officially filed any objection. Three hearings have been held.

Northwest realtors to meet Friday at Simsons

Northwest Suburban Board of Realtors will have some legislative headliners as their guest speakers at their March meeting which will be held Friday evening at Simsons. Donald Florence, who is acting chairman of the board's legislative committee has announced that the subject of the round table discussion will be "Problems before the Illinois State Legislature," including real estate license law, price and rent control and property restriction and zoning.

The headliners who have agreed to attend are Bernice Van der Vries, and Fred A. Virkus, members of the state legislature and Arthur Bidwell, state senator. Larry Holmes, executive-secretary of Illinois Association of Real Estate Brokers, will direct the discussion.

Thanks window trimmer at ration board

Schlaeger endorses town collectors

In the opinion of Victor L. Schlaeger, county treasurer of Cook county, the taxpayers of the country townships of the county will do themselves a favor if they re-elect the veteran town collectors who are candidates for reelection at the township elections April 3.

This opinion of the county treasurer was voiced Monday evening at a meeting of the township collectors association at the Sherman hotel.

Mr. Schlaeger paid high tribute to the work of the collectors in their various townships and thanked them for the splendid cooperation they have given his office in all tax matters.

This fine cooperation, Schlaeger said he hoped to see continued and regardless of party affiliations he hoped that every collector who is a candidate for reelection would be returned to office by the voters of his or her township.

Mr. Schlaeger spoke to the collectors about the so-called "Scavanger law," by which the county collector is directed to sell all property that has been tax delinquent for ten years or more.

This law was upheld by the supreme court last November, and it is the intention of the county treasurer to offer such property for sale at the time the next delinquent tax list goes up for sale.

The treasurer told of the vast amount of property being redeemed through voluntary tax foreclosures and of the amounts of money that are coming into the treasurer's office monthly from that source.

SUE TO FORECLOSE

Hat clinic next Wednesday

Do you have Wednesday, March 28 marked on your calendar as an important date? That is the day of the hat clinic when Miss Carl of the University of Illinois will talk on hat styles, making new chapeaux and remodeling Easter bonnets of other years.

Place, Arlington Heights Field House. Time, 1:00 p. m.

Whether or not you are a member of the Home Bureau, you are welcome to attend this meeting.

Nurses meet

The Arlington Heights Nurses Club held their monthly meeting at the home of Mrs. Wm. Brown Friday, March 16. Mrs. Brown was pleasantly surprised when the evening was turned into a birthday party in her honor.

The next meeting will be held April 20 at the home of Mrs. H. O. Meisenheimer.

Public Eating

Did you know that more than 65 million Americans eat one or more meals in a public eating place each day?

Methodist women's rummage sale set for April 7

The Woman's Society of the Methodist church will hold its semi annual rummage sale on April 7. There will also be a resale booth for small household articles. It is suggested that as closets and storage places are cleaned during spring housecleaning a box be kept in a convenient place in which to put the articles for which there is no further use.

Both rummage and resale items may be left at the Methodist church Thursday evening, April 5, or Friday morning, April 6. Further information about the resale booth may be obtained by calling Arlington Heights 1454.

Vegetables

There are several good values in fresh produce this week for homemakers, the War Food Administration reports. Items that might well head the market list include dry onions, cabbage, carrots, and Midwestern grown apples, especially the smaller sizes.

The late onion crop last fall was a large one, and current stocks are nearly twice what they were a year ago. Prices of onions are within reach of low cost budgets. The season's crop of bunched carrots from the west and south now coming to market is more than eighty percent above average, and so carrots constitute an excellent market basket selection. Supplies of cabbage are also liberal. And in fruits, small-sized Midwestern apples have been overlooked by many homemakers despite the fact that they have been among the better buys, so that it has been necessary for the government to purchase some of these apples from nearby producing sections for distribution in school lunch and other approved programs to prevent them from going to waste.

Liberal supplies of celery are also the case this week, and Florida Goldenheart celery is selling a little lower than the Pascal type from the west. There are moderate supplies of cauliflower on hand, too, and it's not too high prized for a luxury type vegetable. Head lettuce is not as plentiful as it has been recently. Rutabagas continue to be an economical item, but better quality parsnips have been edging somewhat higher in price. A little asparagus has been coming in, but this is strictly a luxury item.

Grapefruit is a little better buy, with prices on some stock below ceiling, and oranges are another good fruit choice for the average homemaker. A few pear grapes, avocados, and strawberries about complete the list of available fruits, and price tags are rather on the high side.

Resembled Fruit

The word grenade was taken from the French word for pomegranate, because of a resemblance in shape to the fruit.

Geraldine Schulte and Joseph Powers marry

Friday, March 2, at 7 p. m. Miss Geraldine Schulte, daughter of Mr. and Mrs. Allen Schulte, became the bride of Joseph A. Powers, U. S. N. R., son of Mr. James Powers of Philadelphia, Penn. The double ring candlelight ceremony took place in the Grace Lutheran church, San Diego, California, the Rev. Damschroeder officiating.

The bride was beautifully attired in a sky blue gown brocaded with silk and silver metallic threads and fashioned with a sweetheart neckline and long train. The long ice blue veil was held in place with a tiara of blue outline with seed pearls. She carried a white orchid on a prayer book.

Her sister, Margaret, served as maid of honor, wearing a gown of ice blue satin with a contrasting panel of silver, and matching elbow length gloves and hat. She carried a nosegay bouquet of flowers.

Preceding the ceremony Miss Zulma DeJong sang "The Lord's Prayer".

The groom was attended by William J. Lidderdale, Jr., USNR.

Following the ceremony the bride and groom were given a surprise party by the staff and patients of the Naval Hospital where the groom is stationed. The wedding party then proceded to the Ranch House where a dinner was held for a few immediate friends.

Mrs. Powers is a graduate of Arlington Heights high school and was formerly employed at E. W. A. Rowles Co. Joseph Powers attended Loyola and National College, Chicago.

After a brief honeymoon Mr. and Mrs. Powers will be at home at 406 South 38th st., San Diego, Calif.

American Legion auxiliary notes

Twelve members were present at the Legion Auxiliary meeting Tuesday evening and transacted business as usual. Money was voted for an organ at Galesburg and for pool tables at Vaughan's hospital which is for veterans of the present war and is located on the same grounds as Hines. Books for a raffle to be held at the Legion carnival were arranged for by the activities chairman, Merle Holtz. The Americanism and Community Service chairman, Camille Peroutka, was authorized to arrange for sending a girl to Girls State in June and to collect money from the members for the purchase of a layette instead of having each donate an article as has been the practice heretofore.

To celebrate the birthday of the Legion the auxiliary will serve a pot luck supper on the regular meeting night, March 27, at 6:30 p. m.

OES notes

Thursday evening, March 22—stated meeting followed by White Elephant card party. Members bring a white elephant for prize exchange.

Martin Maher is chosen to head Arlington PTA

Mr. Martin Maher was elected president of the Arlington Heights PTA at the business meeting held Tuesday evening at the Arlington Heights north school.

Other officers elected were Mrs. Vernon Sturm, vice president; Mrs. Richard Frasier, secretary; Mrs. Karl Militzer, treasurer; Miss Mildred Russell, historian.

The report of the nominating committee was given by Mrs. H. J. Carr, chairman:

$20.00 was voted to the legislative committee for publicity and a sum of $40 voted to the art fund.

The guest speaker, Mrs. Laura Lunde, vice president of the Woman's City Club of Chicago, gave a most interesting talk on "The Legislature's Responsibility for Education."

Mr. Costain directed the music played by a string ensemble and a trumpet trio. Two solos "My Hero," and "Italian Street Song," were sung by Miss Jean Freyermuth, accompanied by Donna Lee Doughty.

The pledge to the flag was given by two girls, members of the 4-H club.

The sixth grade in the North school and the third grade in the South school won the attendance record.

There's an added zest on the third and the fourth grades.

Just Around the Corner

Dear Mary:

Reactions are endlessly interesting. Foggy days magnify your house's soiled and worn spots for you. It is the bright days that do this for me. Though spring is my love of all the seasons, I dread the revelations of its sun slanting through our streaked windows to telescope all the undusted and unwashed evidences of my dilatory house keeping. Possibly this dread has its roots in the fact that I am far too inclined to lock the door on our grimy dwelling on days like last Wednesday and go wherever I can find a corner or a crooked road to glory in the contrasting freshness of the out doors. I'm spoiled, I guess. Having moved nine times in the less than ten years of my married life I have ducked out of a number of spring house cleanings. Of course, moving is no picnic, but it does get rid of a lot of things you'd otherwise shine up and put back on the shelf.

You're not a pessimist, Mary, to dislike for George and Edward to come home to an empty house. I think most mothers feel that pull toward home at school closing time. As middle-aged as I am getting to be, I still remember the desolation and disappointment of no answer to my "Hi! Mom!" And if I am late now, I become distinctly fidgety after 3:30. The insouciance of the little note our son left me one day last week would seem to indicate, however, that he doesn't take my absence as seriously as I do. It said:

Dear Mom
keep caum
stay home
what I meen
don't look for me
Ken

He says the reason he didn't note his whereabouts is that they were neither stationary nor traceable. He was traveling in the interests of the scrap paper drive.

Mary, it seems plain to me that the Federal Aid Bill is a direct result of the application of interested people all over the country for help in equalization of educational opportunity which means "to render aid where it is needed".

Possibly "equality of opportunity for all" is, as you say, Utopian. But equality of access to a good school with well-trained and decently paid teachers is not Utopian nor impossible. Besides I can not see how forsaking an ideal because we fall short of it is anything but weakness. Nor do I see why a concerted effort on the part of a large group caters to dependence and lack of initiative any more than scattered effort in isolated communities. If this is socialism, then I am a socialist.

I think your story about the woman who asked when you answered the telephone if she had the right number and thanked you when you inquired what number she wanted is wonderful. It is one of the few jokes I'm sure I shall remember. Another one is Edward Wild's tale of the captain who hated the first mate and day after day wrote in his ship's log: "First Mate drunk today". This injustice the first mate silently endured for several weeks and then quietly released his feeling by writing in the record: "Captain sober today".

You'll be happy to know that Edith and Ray Atkinson's son is getting his furlough after all. Edith had tried so hard to tell herself that it would just mean another sad goodbye.

Somehow my apple crisp never tasted like Dorothys. Hers was so much crunchier. Glad and I both want the recipe and should also like to know if oleo may be substituted for butter.

Does Dorothy's house relax you? I don't know whether it's the "unclutter" or the marvelous food, or just Dorothy herself. I imagine it is all three.

It was dear of you to invite me to your shower for her. I don't know when I've met so many interesting women in one afternoon.

I'll see you soon,
Love, Elly.

Two showers for bride-to-be

On February 22 a bridal shower was given by Irene Pohlman and Bernice Timmerman in honor of Leona Boergener in Arlington Heights. The bride-to-be was seated beneath a beautifully trimmed umbrella, under which were spread many lovely gifts. About thirty-five friends and relatives were present. The evening was spent playing airplane bunco after which a luncheon was served. A lovely shower cake adorned the center of the table.

On March 3 another surprise shower was given her by Lucille Boergener, Dolores Goebbert, Marian Goebbert, and Violet Goebbert. About 40 friends and relatives from Arlington Heights, Des Plaines, Mt. Prospect, Park Ridge Palatine and Roselle gathered round to see the gifts being opened by the bride under a sprinkling can trimmed with white, blue and pink crepe paper. Airplane bunco was enjoyed by the guests, after which the hostesses served sandwiches, cake and ice cream.

Miss Boergener will become the bride of Reinhold Schmahl of Des Plaines March 31.

And again on Sunday, March 18, the bride-to-be was surprised by a shower given her by her aunts, Mrs. Alfred Goebbert and Mrs. Wanda Greenwald. The shower was held at the latter's home in Elgin.

Thirty guests from Genoa, Hampshire, Arlington Heights, and Elgin were present to give Miss Boergener many lovely gifts.

The guests spent an enjoyable afternoon and at 5:00 a delicious buffet supper was served.

Father of Arlington woman dies suddenly

Martin Gerdau, 71, of 121 W. Station st., Barrington, a retired farmer and former employe of the Chicago & North Western railroad, died unexpectedly of a heart seizure Monday as he was walking downtown from his home. He was born in Chicago on April 17, 1873 and had resided in the Barrington area for many years.

Mr. Gerdau was married to Mrs. Johanna Meyer on March 11, 1902, and besides the widow is survived by two sons, Christ and Herman Gerdau, both serving in the armed forces; four daughters, Mrs. George (Dora) Gaare of Arlington Heights, Mrs. George (Johanna) Kloepfer of Warrington, Fla., Mrs. Wray (Esther) Wright of Algonquin, and Mrs. Fred (Bernice Camaioni of Melrose Park; a stepson, Irving Meyer of Elgin, and 15 grandchildren.

Funeral services will be conducted Friday afternoon at 2 in the Danielsen & Willmering funeral home in Barrington with the Revs. George Ellerbrake and Phillip Van Zandt officiating. Burial will be in Evergreen cemetery.

Married in White House

The first President to be married in the White House was Grover Cleveland, who married his ward, Miss Frances Folsom, on June 2, 1886, during his first term of office.

He says the reason he didn't note his whereabouts is that they were neither stationary nor traceable. He was traveling in the interests of the scrap paper drive.

Mary, it seems plain to me that the Federal Aid Bill is a direct result of the application of interested people all over the country for help in equalization of educational opportunity which means "to render aid where it is needed".

Possibly "equality of opportunity for all" is, as you say, Utopian. But equality of access to a good school with well-trained and decently paid teachers is not Utopian nor impossible. Somehow my apple crisp never tasted like Dorothys. Hers was so much crunchier. Glad and I both want the recipe and should also like to know if oleo may be substituted for butter.

Does Dorothy's house relax you? I don't know whether it's the "unclutter" or the marvelous food, or just Dorothy herself. I imagine it is all three.

It was dear of you to invite me to your shower for her. I don't know when I've met so many interesting women in one afternoon.

I'll see you soon,

Love, Elly.

Two showers for bride-to-be

On February 22 a bridal shower was given by Irene Pohlman and Bernice Timmerman in honor of Leona Boergener in Arlington Heights. The bride-to-be was seated beneath a beautifully trimmed umbrella, under which were spread many lovely gifts. About thirty-five friends and relatives were present. The evening was spent playing airplane bunco after which a luncheon was served. A lovely shower cake adorned the center of the table.

On March 3 another surprise shower was given her by Lucille Boergener, Dolores Goebbert, Marian Goebbert, and Violet Goebbert. About 40 friends and relatives from Arlington Heights, Des Plaines, Mt. Prospect, Park Ridge Palatine and Roselle gathered round to see the gifts being opened by the bride under a sprinkling can trimmed with white, blue and pink crepe paper. Airplane bunco was enjoyed by the guests, after which the hostesses served sandwiches, cake and ice cream.

Miss Boergener will become the bride of Reinhold Schmahl of Des Plaines March 31.

And again on Sunday, March 18, the bride-to-be was surprised by a shower given her by her aunts, Mrs. Alfred Goebbert and Mrs. Wanda Greenwald. The shower was held at the latter's home in Elgin.

Thirty guests from Genoa, Hampshire, Arlington Heights, and Elgin were present to give Miss Boergener many lovely gifts.

The guests spent an enjoyable afternoon and at 5:00 a delicious buffet supper was served.

Father of Arlington woman dies suddenly

Martin Gerdau, 71, of 121 W. Station st., Barrington, a retired farmer and former employe of the Chicago & North Western railroad, died unexpectedly of a heart seizure Monday as he was walking downtown from his home. He was born in Chicago on April 17, 1873 and had resided in the Barrington area for many years.

Mr. Gerdau was married to Mrs. Johanna Meyer on March 11, 1902, and besides the widow is survived by two sons, Christ and Herman Gerdau, both serving in the armed forces; four daughters, Mrs. George (Dora) Gaare of Arlington Heights, Mrs. George (Johanna) Kloepfer of Warrington, Fla., Mrs. Wray (Esther) Wright of Algonquin, and Mrs. Fred (Bernice Camaioni of Melrose Park; a stepson, Irving Meyer of Elgin, and 15 grandchildren.

Funeral services will be conducted Friday afternoon at 2 in the Danielsen & Willmering funeral home in Barrington with the Revs. George Ellerbrake and Phillip Van Zandt officiating. Burial will be in Evergreen cemetery.

Married in White House

The first President to be married in the White House was Grover Cleveland, who married his ward, Miss Frances Folsom, on June 2, 1886, during his first term of office.

Liquid war

During the first 11 months of 1944, $1,881,991,612 poured into the federal treasury in the form of liquor taxes. Highlighting the terrific cost of waging a global war, and the significance of these taxes as a major source of government revenue, the record 11-month collections would pay for a huge arsenal including 300 LST craft, 500 PT boats, 1,400 Navy Liberator patrol bombers, 1,400 Army heavy bombers, 3,000 medium tanks and 100,671 jeeps.

For comparison, federal receipts from alcoholic beverages in 1943 were $1,514,219,247—almost twice as large as the next principal contributor, tobacco—maintaining the industry's position as the No. 1 revenue source, outside of income taxes. State and local governments, in the same year, derived $511,362,796 in additional liquor revenues to defray an appreciable share of the cost of education, hospitals, agricultural aid, old age pensions, aid to crippled children and other similar purposes.

Electric Irons

Normal peacetime production of electric irons is estimated at about five million.

Rubber

When the government synthetic rubber plant at Louisville passed the two-million-pounds mark the other day, statisticians noted that this two-year record was accomplished with a staff of 734. But it would have taken some 16 million Far East rubber trees, tended by some 45,000 natives, to have turned up an equal amount of natural rubber in the same time!

To many persons who have regarded synthetic rubber as a great job creator in itself, the contrast between 734 and 45,000 will be quite an eye-opener. It illustrates the point that John Collyer, president of the B. F. Goodrich company, which incidentally built and operates the Louisville plant, has long emphasized. Although Mr. Collyer, earliest and most persistent advocate of synthetic rubber for national defense, is strong for maintaining substantial operation after the war, he has always made it clear that it will be the widening of markets, made possible by low-cost materials, that will be the principal factor in providing more jobs. Where synthetic fits into that picture is in the fact that America's skill in "making its own" rubber has created a potential ceiling on the price we will have to pay for raw rubber, whether tree variety or man-made.

9th Dist. Auxiliary in interesting session

The regular monthly meeting of the ninth district American Legion Auxiliary was held March 15 at the Wilson Park Field house, Chicago.

Mrs. Lucia Lackowski, membership chairman, reported that the total membership now in the district is 2,692 and only 83 more members are needed to reach the required quota. She asked that every effort be made to reach this quota by March 23. Mrs. Tillie Lubash, membership chairman of the newly organized Skyview unit, was introduced to the district and Mrs. Lackowski stated that still another unit is being organized.

Mrs. Mary Schwartz, child welfare chairman, gave a brief report and then presented the speaker of the evening, Father Robert P. Donavan, chaplain of Illinois State Training School for boys at St. Charles. Father Donavan stated that a great deal is said about child delinquency but little is done about adults' delinquency. He said that many of these children are there due to the lack of being understood by their parents. He also stated that time should be given the child before he became the problem and not after, and that the home is the starting point, not an institution. Institutions cannot possibly solve the problem. He asked that every one try to be a little kinder to the children in their own neighborhood.

This being the 26th anniversary of the American Legion the ninth district commander, Charles Donath, and his corps of officers were honored guests of the evening. After being escorted to the rostrum, congratulations were given by Mrs. Ann Woodville, who was in charge of the program. Everyone joined in singing "Happy Birthday". Mrs. Helene Omlie was then escorted to the rostrum and gave a very beautiful toast to the American Legion in which she enumerated the many sorrows and joys, the difficulties overcome and the good things accomplished by them during the past 26 years.

Commander Donath introduced each of his officers. He stated that Illinois is leading the national organization in membership, having 107,107 members. He commended the auxiliary for the splendid work being done and the assistance given the Legion in their project.

A birthday gift was then presented to the commander by the district director, Mrs. Fannie Harland.

Mrs. Marcella Fritz, Americanism chairman, reported that Illini Girls State will be held at McMurray College, Jacksonville, Ill., some time during the last two weeks in June, and the cost of sending a girl will be $16.50.

Mrs. Jeanette Cosbie, national defense chairman, reported that $250 was contributed toward the Record Drive. She asked that each auxiliary unit have a book shower as books are needed for the merchant marines. A total of $390,369.25 in war stamps and bonds was sold by the auxiliary which purchased three hospital planes in a Silver Wing of Mercy Fleet, project sponsored by the department of Illinois.

May is the month of cookie showers for the Service Men's center and each auxiliary unit has been given a day in May to donate cookies.

Mrs. Ethel Davis, rehabilitation chairman, stated that in answer to her appeal, 165 overcoats were taken to Hines hospital.

There will be a card and bunco party held at Hines hospital May 16, and each auxiliary unit is asked to give two pounds of cookies and two cartons of cigarettes.

The district dance at North Chicago Veterans hospital will be held May 29 and each auxiliary unit is asked to bring two pounds of cookies.

After the close of the meeting refreshments were served and a special table was set for the American Legion officers with a beautiful birthday cake as a center piece.

Railroads

Railroads handled without serious congestion in 1944 the greatest volume of export freight traffic on record, 1,866,324 cars compared with 1,401,186 in 1943, a gain of 33 per cent.

Certified seed potatoes, Bliss Triumphs, Cobblers, $5.29 per bag. A & P Tea Co., Palatine.

OBITUARIES

Emil Burtzlaff

Emil Burtzlaff was born March 8, 1871 in Germany, came to the United States in the year 1888 and made his home in Chicago.

In 1895 he was united in marriage to Miss Martha Kull. This couple always made their home in Ela Township. Mrs. Burtzlaff preceded her husband in death in September, 1917.

Mr. Burtzlaff became seriously ill Saturday, March 17, and was taken to an Elgin hospital where on Monday, March 19, he passed away at the age of 74 years and 11 days.

He leaves to mourn his departure four sons, Paul, Harry, Bernhard and Arnold Burtzlaff; three daughters-in-law and two grandchildren; one brother, Gustav Burtzlaff.

Funeral services will be held Friday afternoon March 23, at 1:30 p. m. from Karstens Funeral Home and at 2:30 from the Fairfield Ev. Lutheran church, Rev. Paul Gerth officiating.

Mrs. Rose H. Bohm

Mrs. Rose H. Bohm, 113 Prospect ave., Mt. Prospect, died early Wednesday morning from uremic poisoning. She had been suffering from a heart ailment for some time. The funeral will be held at the Oehler chapel, Des Plaines, Saturday afternoon with interment beside her late husband in Mt. Emblem.

Mr. and Mrs. Bohm conducted a bakery in Mt. Prospect for a number of years prior to Mr. Bohm's death in 1943.

Mrs. Bohm, nee Paul, was born in Chicago August 8, 1887. She married Chas. Bohm September 3, 1908. The family lived in Norwood Park fourteen years and came to Mt. Prospect eight years ago. There remain two daughters, Evelyn and Violet, the latter employed in the Mt. Prospect postoffice, and a son, Sgt. Milton Bohm who was last reported to be in Germany.

Retail sales

Reports to the Census Bureau from 18,221 independent stores, representing most kinds of business except department stores, add up to an increase in sales volume of six per cent for 1944 over the previous year. It may be estimated, therefore, that total volume for all retail outlets—independents, department stores, chains and mail order—ran at least as high as $66 billion last year, a record.

This is quite an achievement for a country during a third year of war. Allowing for a 25 per cent rise in average prices and the fact that some 12,000,000 persons have entered the armed forces, the estimate indicates that America's civilian population enjoyed during 1944 a standard of living, in terms of merchandise bought at retail, on a par with that obtained in the 12 months prior to Pearl Harbor.

Sultan of Swat

Babe Ruth hit a total of 15 home runs in world series games—and hit home runs with the bases loaded on 16 occasions. July was his favorite month for circuit clouts, with June as second choice and May third. He hit 346 of his 714 home runs in Yankee Stadium. His favorite spot on the road was Detroit where he knocked 123 round trippers.

Mrs. Hulda Geweke

Mrs. Hulda Geweke passed away at the Columbus hospital in Chicago, on Wednesday, March 14. She had been a patient at the hospital since last fall when she sustained a broken hip in a fall at her home. She was the wife of August Geweke, Dempster st., East Maine, who is president of the Cook County Truck Gardeners & Farmers Association and also the Cook County Farmers Mutual Insurance Company.

Mrs. Geweke was the daughter of the late Mr. and Mrs. Fred Koehler and was born September 13, 1869 on a farm which is now the site of the Park Ridge Country Club. She was baptized and confirmed in St. John's Lutheran church at Niles. There, too, on March 27, 1892, she was united in marriage with August Geweke. The Geweke's celebrated their 50th wedding anniversary in 1942.

Mrs. Geweke was a charter member of St. Matthews Lutheran Ladies' Aid and was very active in the work of that organization and church work in general until about four and one half years ago, when her health failed and during those years she had been in and out of the hospital a number of times. Fellow members of the Ladies Aid served as honorary pallbearers at the funeral services held Saturday, March 17 at St. Matthews Lutheran church. Rev. Julius Toepel officiated. The girls' choir sang. Pallbearers were Fred Beto, Fred Finnern, Hans Poehls, Elmer Steil, William Tagtmeier and Ferdinand Wilke. Burial was in St. Matthews cemetery.

Surviving Mrs. Geweke are her husband August, son Martin, daughters Julia Butzow, Amanda Kath, Alma Kath and Clara Casper; 1 daughter and 4 sons-in-law, 6 grandchildren, 2 sisters, Augusta Koehler and Mary Hasselmann.

IN MEMORIAM

In fond remembrance of our dearly beloved mother, Mrs. Augusta Luehring, who passed away March 25, 1938.

The days have gone, the months have too;
It's seven years since the Lord took you,
We whisper softly by your grave;
We speak of happiness that once you gave.
You are so far and yet so near,
We miss you more each day, each year.

Your loving children.

OBITUARIES

Emil Burtzlaff

Emil Burtzlaff was born March 8, 1871 in Germany, came to the United States in the year 1888 and made his home in Chicago.

In 1895 he was united in marriage to Miss Martha Kull. This couple always made their home in Ela Township. Mrs. Burtzlaff preceded her husband in death in September, 1917.

Mr. Burtzlaff became seriously ill Saturday, March 17, and was taken to an Elgin hospital where on Monday, March 19, he passed away at the age of 74 years and 11 days.

He leaves to mourn his departure four sons, Paul, Harry, Bernhard and Arnold Burtzlaff; three daughters-in-law and two grandchildren; one brother, Gustav Burtzlaff.

Funeral services will be held Friday afternoon March 23, at 1:30 p. m. from Karstens Funeral Home and at 2:30 from the Fairfield Ev. Lutheran church, Rev. Paul Gerth officiating.

Mrs. Rose H. Bohm

Mrs. Rose H. Bohm, 113 Prospect ave., Mt. Prospect, died early Wednesday morning from uremic poisoning. She had been suffering from a heart ailment for some time. The funeral will be held at the Oehler chapel, Des Plaines, Saturday afternoon with interment beside her late husband in Mt. Emblem.

Mr. and Mrs. Bohm conducted a bakery in Mt. Prospect for a number of years prior to Mr. Bohm's death in 1943.

Mrs. Bohm, nee Paul, was born in Chicago August 8, 1887. She married Chas. Bohm September 3, 1908. The family lived in Norwood Park fourteen years and came to Mt. Prospect eight years ago. There remain two daughters, Evelyn and Violet, the latter employed in the Mt. Prospect postoffice, and a son, Sgt. Milton Bohm who was last reported to be in Germany.

Retail sales

Reports to the Census Bureau from 18,221 independent stores, representing most kinds of business except department stores, add up to an increase in sales volume of six per cent for 1944 over the previous year. It may be estimated, therefore, that total volume for all retail outlets—independents, department stores, chains and mail order—ran at least as high as $66 billion last year, a record.

This is quite an achievement for a country during a third year of war. Allowing for a 25 per cent rise in average prices and the fact that some 12,000,000 persons have entered the armed forces, the estimate indicates that America's civilian population enjoyed during 1944 a standard of living, in terms of merchandise bought at retail, on a par with that obtained in the 12 months prior to Pearl Harbor.

Sultan of Swat

Babe Ruth hit a total of 15 home runs in world series games—and hit home runs with the bases loaded on 16 occasions. July was his favorite month for circuit clouts, with June as second choice and May third. He hit 346 of his 714 home runs in Yankee Stadium. His favorite spot on the road was Detroit where he knocked 123 round trippers.

Mrs. Hulda Geweke

Mrs. Hulda Geweke passed away at the Columbus hospital in Chicago, on Wednesday, March 14. She had been a patient at the hospital since last fall when she sustained a broken hip in a fall at her home. She was the wife of August Geweke, Dempster st., East Maine, who is president of the Cook County Truck Gardeners & Farmers Association and also the Cook County Farmers Mutual Insurance Company.

Mrs. Geweke was the daughter of the late Mr. and Mrs. Fred Koehler and was born September 13, 1869 on a farm which is now the site of the Park Ridge Country Club. She was baptized and confirmed in St. John's Lutheran church at Niles. There, too, on March 27, 1892, she was united in marriage with August Geweke. The Geweke's celebrated their 50th wedding anniversary in 1942.

Mrs. Geweke was a charter member of St. Matthews Lutheran Ladies' Aid and was very active in the work of that organization and church work in general until about four and one half years ago, when her health failed and during those years she had been in and out of the hospital a number of times. Fellow members of the Ladies Aid served as honorary pallbearers at the funeral services held Saturday, March 17 at St. Matthews Lutheran church. Rev. Julius Toepel officiated. The girls' choir sang. Pallbearers were Fred Beto, Fred Finnern, Hans Poehls, Elmer Steil, William Tagtmeier and Ferdinand Wilke. Burial was in St. Matthews cemetery.

Surviving Mrs. Geweke are her husband August, son Martin, daughters Julia Butzow, Amanda Kath, Alma Kath and Clara Casper; 1 daughter and 4 sons-in-law, 6 grandchildren, 2 sisters, Augusta Koehler and Mary Hasselmann.

IN MEMORIAM

In fond remembrance of our dearly beloved mother, Mrs. Augusta Luehring, who passed away March 25, 1938.

The days have gone, the months have too;
It's seven years since the Lord took you,
We whisper softly by your grave;
We speak of happiness that once you gave.
You are so far and yet so near,
We miss you more each day, each year.

Your loving children.

Aviators Aid Mapmaking

When the United Nations invaded occupied Europe they took with them 125,000,000 maps, the result of a "combined operations" job by the corps of engineers, the army air forces, the best brains of military intelligence and thousands of enlisted personnel in the U. S. army. Aerial photographs have completely taken away the "mystery" of the Pacific islands, and the location of virtually every thatched hut village and palm tree grove is known.

Palatine

Henry Toppel of Dundee and Miss Lacona Stetz, formerly of Palatine were married in Barrington Saturday.

Some of the piano pupils of Miss Celia Hausam gave a recital at the home of Mrs. Wm. Hokemeyer last Wednesday afternoon. Several mothers were present and much pleased with the proficiency of their children.

20 YEAHS AGO—MAR. 13, 1925

Bensenville

Several friends and relatives gathered at the home of Henry Tasche Sunday afternoon and evening in honor of his son, Melvin's 20th birthday.

Fred Reher, Howard and Roger Schoppe, Esther Scharringhausen, Wm., Harry, Edna and Mr. and Mrs. Wm. Boettger helped celebrate Henry and Esther Bollman's birthday Sunday.

Saturday, February 28, at 4:00 o'clock a very pretty wedding took place at the home of Mr. and Mrs. Henry Helfers, when their eldest daughter, Viola Augusta, became the bride of Edward H. Wittke of Elmhurst. The Rev. H. Wagner solemnized the wedding vows.

Arlington Heights

Twelve members of the Arlington Heights Mothers Club went in three autos last Thursday to Des Plaines where they had been invited by Mrs. Whetstone to spend the afternoon.

Mrs. Harry Hansing celebrated her birthday with a large family group, children and grandchildren, in her home on South State rd. Sunday, March 8.

Mrs. Margaret Harris entertained March 10 a large family party in her always busy, hospitable home on South State rd., in honor of her birthday.

Wheeling

A wonderful time was had at the home of Esther Karnatz, March 8, when many of her friends helped her celebrate her 17th birthday. The afternoon was spent playing games and dancing.

Aviators Aid Mapmaking

When the United Nations invaded occupied Europe they took with them 125,000,000 maps, the result of a "combined operations" job by the corps of engineers, the army air forces, the best brains of military intelligence and thousands of enlisted personnel in the U. S. army. Aerial photographs have completely taken away the "mystery" of the Pacific islands, and the location of virtually every thatched hut village and palm tree grove is known.

Selecting Onions

In buying onions select ones that are bright, clean and hard, with dry skins. Watch for moisture at the stem end, as it may indicate decay at the heart of the onion. Store them in a cool, dry, well-ventilated room.

Convalescents, be careful

by C. W. LUSSMAN of Sieburg Pharmacy

The convalescent period which follows an illness is one of the most difficult for the average patient. Time moves slowly, one's strength returns by degrees, there is the most extreme impatience to be up and doing.

It is the time above all others to heed the doctor's dictum: "Take it easy." All the good work that has been done may lead to a serious relapse if care is not taken, with the next convalescent period demanding twice the time and attention.

Doctor's orders must be heeded. These may be comparatively simple: rest, of course, particular attention to the diet indicated, regular, refreshing sleep.

Take what medication is required regularly, obtain it from a careful druggist.

Big program at re-opening of Sears Farm Store

Entertainment by radio artists, many prizes

Everett Mitchell will officiate Saturday, March 24 in the grand re-opening of Sears Irving Park Farm Store. Everett Mitchell is wel known in this area for his regular farm programs on the NBC network.

"The largest and most complete farm store in this area", aptly applies to Sears new Irving Park farm store. It is enlarged and completly rennovated to better serve the farm people in and around Cook county.

For the opening day many farm experts will be present. Representatives will be present from large feed companies and farm equipment manufacturers to answer and discuss the farmers problems. At 1:00 in the afternoon the entertainment will start with Everett Mitchell acting as master of ceremonies. One of the features of the afternoon will be Curly Miller and the Sage Riders, a talented quartette of entertainers with a brand new repertaire of songs for the occasions.

Every hour special prizes will be given away leading to the grand prize in the evening for a gasoline garden tractor. At 3 o'clock in the afternoon a special drawing will be held for the "Everett Mitchell Special Door Prize", a full 3 section drag harrow.

There will be presents for the ladies and for the little ones, and lots of fun for all with special contests and drawings.

Should A Widow Spend Lonely Nights At Home?

It's only natural for time to leave the marks of age on the face. After 30 . . . the smooth, firm fresh beauty of youth diminishes with age. Every glance in the mirror may be discouraging, but it is not helpful to become timid or diffident. Let science help solve your problem. Science has made it possible for you to use QUEENOL, a new kind of cream, containing Sex Hormones that help restore the youthful substance that revitalizes skin of face, throat.

What Science Has Discovered

QUEENOL is a product of science, a new kind of cream containing 30,000 Int. units Estrogenic Hormones (in each 30-day supply container). The Sex Hormones in QUEENOL are absorbed thoroughly through the skin, where they help to build up new cells, new tissue. Start today using QUEENOL. Only $2.95 (plus tax) for a 30 days' supply.

3 minute spin tops Cubs' top spinning contest

Fifty-one boys of Arlington Heights Cub Pack 232 entered tops in the contest held at the Pack meeting in the high school gym last Friday. The prize winners, as announced by Judges Havranek, Grose, Freeman and Mattes, were:

String spinning—1st, Ed. Hunsinger, 3:02 min.; 2nd, Tommy Meyer, 1:21 min.

Finger Spinning—1st. Kenneth Koeppen, 52.8 sec.; 2nd, John Bruun, 52.4 sec.

Handsomest Tops—1st., Norman Sommer; 2nd, Don Niemeyer. Honorable mention, Wayne Moehling, Richard Lull, Warren Doellefield, Richard Bleile, and Kenneth Koepen.

A few of the boys had a little difficulty in launching their models and tops were flying in all directions, but they can all be commended for their sporting efforts.

Inductions and awards

Earlier in the evening eight new boys were accepted into the Cub Pack in a colorful induction ceremony. Following this, awards were made to the boys who have earned their Wolf, Bear and Lion Cub ratings. The highest Cub award, the Webelo insignia, was presented to the Cooper twins, Tommy and John, by their father, Thos. O. Cooper. The two boys were then welcomed into Troop 7 by an escort of Boy Scouts, marking the successful completion of their Cubbing careers.

Kite flying contest

The next big event on the Cub calendar is the Kite Flying Contest. This will be the first out-of-doors activity of the year and is eagerly awaited by the Cubs and Dads of Pack 232. Details of the contest wil be announced later so that the Pack's friends may also attend this event.

Margaret Pink offers cold waves at the Ida Graft salon

The services of Margaret Pink, Arlington beautician who is specializing in the new cold wave permanent, are now available at the Ida Graft Beauty Salon, it is announced this week. Miss Pink is already well known in Arlington Heights as a skilled beautician. She will be glad to meet her friends at her new location.

Heights bulls to Canal

Fourteen bull calves bred on the Curtiss Candy Company's farms in northern Illinois have been sold for export to Venezuela and the Panama Canal Zone, according to an announcement by Otto Schnering, president of the company. The animals are to be used in building up dairy herds in those countries.

The shipment to Venezuela includes six pure bred Brown Swiss bulls and two pure bred Holsteins. There are four Holsteins and two Brown Swiss bulls in the group being shipped to Balboa Heights, in the Canal Zone.

Several of the Brown Swiss bulls were sired by the 1942 grand champion Walhalla Wonder Signal. Ten of this bull's 14 nearest ancestors have also been champions at the leading shows in this country.

Several of the Holsteins were sired by Pearl Segis Ormsby, whose paternal brother was the All American Senior Yearling Holstein bull in 1942.

This is the second time within a year that animals bred on the Curtiss farms have been shipped to foreign lands. Last spring, six Holstein bulls were shipped to India for breeding to Brahma cattle as part of the war feeding program of that country, and particularly to improve the quality and production of India's milk supply.

Selecting Onions

In buying onions select ones that are bright, clean and hard, with dry skins. Watch for moisture at the stem end, as it may indicate decay at the heart of the onion. Store them in a cool, dry, well-ventilated room.

Convalescents, be careful

by C. W. LUSSMAN of Sieburg Pharmacy

The convalescent period which follows an illness is one of the most difficult for the average patient. Time moves slowly, one's strength returns by degrees, there is the most extreme impatience to be up and doing.

It is the time above all others to heed the doctor's dictum: "Take it easy." All the good work that has been done may lead to a serious relapse if care is not taken, with the next convalescent period demanding twice the time and attention.

Doctor's orders must be heeded. These may be comparatively simple: rest, of course, particular attention to the diet indicated, regular, refreshing sleep.

Take what medication is required regularly, obtain it from a careful druggist.

Big program at re-opening of Sears Farm Store

Entertainment by radio artists, many prizes

Everett Mitchell will officiate Saturday, March 24 in the grand re-opening of Sears Irving Park Farm Store. Everett Mitchell is wel known in this area for his regular farm programs on the NBC network.

"The largest and most complete farm store in this area", aptly applies to Sears new Irving Park farm store. It is enlarged and completly rennovated to better serve the farm people in and around Cook county.

For the opening day many farm experts will be present. Representatives will be present from large feed companies and farm equipment manufacturers to answer and discuss the farmers problems. At 1:00 in the afternoon the entertainment will start with Everett Mitchell acting as master of ceremonies. One of the features of the afternoon will be Curly Miller and the Sage Riders, a talented quartette of entertainers with a brand new repertaire of songs for the occasions.

Every hour special prizes will be given away leading to the grand prize in the evening for a gasoline garden tractor. At 3 o'clock in the afternoon a special drawing will be held for the "Everett Mitchell Special Door Prize", a full 3 section drag harrow.

There will be presents for the ladies and for the little ones, and lots of fun for all with special contests and drawings.

Should A Widow Spend Lonely Nights At Home?

It's only natural for time to leave the marks of age on the face. After 30 . . . the smooth, firm fresh beauty of youth diminishes with age. Every glance in the mirror may be discouraging, but it is not helpful to become timid or diffident. Let science help solve your problem. Science has made it possible for you to use QUEENOL, a new kind of cream, containing Sex Hormones that help restore the youthful substance that revitalizes skin of face, throat.

What Science Has Discovered

QUEENOL is a product of science, a new kind of cream containing 30,000 Int. units Estrogenic Hormones (in each 30-day supply container). The Sex Hormones in QUEENOL are absorbed thoroughly through the skin, where they help to build up new cells, new tissue. Start today using QUEENOL. Only $2.95 (plus tax) for a 30 days' supply.

3 minute spin tops Cubs' top spinning contest

Fifty-one boys of Arlington Heights Cub Pack 232 entered tops in the contest held at the Pack meeting in the high school gym last Friday. The prize winners, as announced by Judges Havranek, Grose, Freeman and Mattes, were:

String spinning—1st, Ed. Hunsinger, 3:02 min.; 2nd, Tommy Meyer, 1:21 min.

Finger Spinning—1st. Kenneth Koeppen, 52.8 sec.; 2nd, John Bruun, 52.4 sec.

Handsomest Tops—1st., Norman Sommer; 2nd, Don Niemeyer. Honorable mention, Wayne Moehling, Richard Lull, Warren Doellefield, Richard Bleile, and Kenneth Koepen.

A few of the boys had a little difficulty in launching their models and tops were flying in all directions, but they can all be commended for their sporting efforts.

Inductions and awards

Earlier in the evening eight new boys were accepted into the Cub Pack in a colorful induction ceremony. Following this, awards were made to the boys who have earned their Wolf, Bear and Lion Cub ratings. The highest Cub award, the Webelo insignia, was presented to the Cooper twins, Tommy and John, by their father, Thos. O. Cooper. The two boys were then welcomed into Troop 7 by an escort of Boy Scouts, marking the successful completion of their Cubbing careers.

Kite flying contest

The next big event on the Cub calendar is the Kite Flying Contest. This will be the first out-of-doors activity of the year and is eagerly awaited by the Cubs and Dads of Pack 232. Details of the contest wil be announced later so that the Pack's friends may also attend this event.

Margaret Pink offers cold waves at the Ida Graft salon

The services of Margaret Pink, Arlington beautician who is specializing in the new cold wave permanent, are now available at the Ida Graft Beauty Salon, it is announced this week. Miss Pink is already well known in Arlington Heights as a skilled beautician. She will be glad to meet her friends at her new location.

Heights bulls to Canal

Fourteen bull calves bred on the Curtiss Candy Company's farms in northern Illinois have been sold for export to Venezuela and the Panama Canal Zone, according to an announcment by Otto Schnering, president of the company. The animals are to be used in building up dairy herds in those countries.

The shipment to Venezuela includes six pure bred Brown Swiss bulls and two pure bred Holsteins. There are four Holsteins and two Brown Swiss bulls in the group being shipped to Balboa Heights, in the Canal Zone.

Several of the Brown Swiss bulls were sired by the 1942 grand champion Walhalla Wonder Signal. Ten of this bull's 14 nearest ancestors have also been champions at the leading shows in this country.

Several of the Holsteins were sired by Pearl Segis Ormsby, whose paternal brother was the All American Senior Yearling Holstein bull in 1942.

This is the second time within a year that animals bred on the Curtiss farms have been shipped to foreign lands. Last spring, six Holstein bulls were shipped to India for breeding to Brahma cattle as part of the war feeding program of that country, and particularly to improve the quality and production of India's milk supply.

Arlington nurse home after rescue from Manila prison

Lt. Minnie Breese expected here next week

Looking remarkably well, Lt. Minnie L. Breese, formerly of Arlington Heights but now of St. Louis, arrived home recently to rest and 'catch up on all the things she missed during her three years' imprisonment in Santo Tomas prison in Manilla.

Despite her joy to be home, she is eager to get back in service, preferably Pacific duty. "I'd like to be on the giving end once instead of having to take it," said Lt. Breese. "I want to go into Tokyo with our boys."

Lost fifty pounds

Friends, food, shopping, movies, books, food and again food are what she is looking forward to most. She lost almost 50 pounds in prison camp and recalls vividly the dreams she had of food. "But in the dreams somebody always took the food away before we got to eat it," said Lt. Breese. "I may have been a little overweight before, but I'll never go on a diet again," she declared.

Lt. Breese's first words after the welcome was over at Lambert-St. Louis Field were, "I'm hungry.' Awaiting her at home, assured her mother, Mrs. Amelia Breese, 1130 Ralph ter., Richmond Heights, was her "favorite dish—English plum pudding."

Scant diet

The Santo Thomas internees eked out their six ounces of rice or mush a day with what vegetables they could raise in gardens, which the Japanese encouraged. Okra and sweet potatoes, lettuce, and tomatoes would occasionally flavor the ever present rice. "We were rationed on salt," said Lt. Breese. "Only half a cup every six weeks, and of course no sugar."

Cigarette smokers evolved a sort of "smoke" from papaya leaves, tea or eucalyptus leaves. "But I found out you weren't supposed to inhale eucalyptus leaves," Lt. Breese said. "It strangles you." Last Christmas each prisoner was given five native cigars and four cigarettes. Some of the nurses smoked the cigars by chopping them up in fine pieces, then rolling them in paper like cigarettes.

"I still can't quite believe it," said Lt. Breese. "We were all so used to being told what to do and when to do it that it seems unbelievable that I'm free to do what I like. I want to go shopping again," she said wistfully. "Not once in three years have I been able to buy anything!"

Feel fine

"But there's really not much I can buy," she said, looking down at her new uniform. "Just pretty undies and gowns, maybe."

Lt. Breese said she "felt fine,' and was "just a little tired, maybe." She hadn't been sick except for bouts of malaria.

None of the civilians in Santo Tomas suffered mistreatment except lack of food. "Oh, there were restrictions, and plenty of them,' explained Lt. Breese. "It got much worse after the Japanese military took over the camp from the Japanese civilian government in February, 1944. But we weren't treated nearly so badly as our soldiers were. After we were freed, we saw some of them. They were so thin—the size of their legs no bigger than my wrist—it was unbelievable people could be so thin and still live."

Lt. Breese is expected to visit Arlington Heights next week. She was rescued February 4 at Santo Tomas prison camp in Manilla in the Philippines.

Florida

From Green Cove Springs, Florida, comes word of Jim Millay of Arlington Heights.

"Should have written sooner but time seems to fly when you are kept busy. Flying and ground school keep us on the run most of the day.

"Had a wonderful time on my leave in Arlington Heights a few

weeks ago. The old town hasn't changed much except for the decrease in the male population.

"We are flying the FM2, the latest version of the Wildcat which is one of the best Navy fighter planes. Our stay here should be for another six or seven weeks. While still here we check out on a carrier anchored just off the Florida coast. From here we will most likely ship to the West Coast, where we will form a squadron or be sent out as replacements.

"This Florida sunshine sure seems to hit the spot after spending a few weeks in the zero weather of Arlington. Found out Oren Brada of Arlington is across the river in St. Augustine so plan on visiting him in the near future.

"Want to thank the people of Arlington Heights for the traveling bank a few weeks back."

His address is Ens. James Millay, Box 7, NAS Lee field, Green Cove Springs, Florida.

Heavy Catch

Although some shrimp are caught throughout the year, the fall season is the period of peak production.

Belgium

From Belgium comes word of Lynn Olson of Palatine.

"I don't think you can comprehend the extent of the damage to whole cities and towns over here. When they rebuild this mess there will certainly be opportunity for sensible planning of cities. Entire

cities will have to be rebuilt house by house, street by street. In many places the picturesque European town will be a thing of the past, replaced by modern, square designs. I'd surely hate to see the U. S. in such a condition.

"The lady of the house baked apple pie for us tonight so we had apple pie with coffee. Could have gone to a show tonight but for some reason I felt like sitting in the living room taking it easy. The people here treat us as if we were their own children. They'll do anything for 'those Yanks'. I'll have a soft place to sleep tonight.

"Just received a copy of the Enterprise. I always follow the pages of 'With Uncle Same'. One can find out where some of the fellows went, although they don't all write in. Surprises one to see the names of those who were little kids when I was inducted now reporting for their physicals."

His address is Pvt. A. L. Olson, 36670891, APO 84, % PM, New York, N. Y.

The air force unit of which Cpl. Harold Vetter of Arlington Heights is a member has been awarded the Presidential Citation for their work against the Nazis. Harold was stationed in France at the time of award, but is now in Belgium.

Cpl. Vetter reports the biggest news over there is the terrific amount of rain. He states they practically wade in mud.

His address is Cpl. Harold Vetter, 36644982, APO 151, % PM, New York, N. Y.

From Belgium comes a short note from John Ernst of Arlington Heights.

"At the moment we are still in Belgium and I hope we stay put. If I get to Holland I'll have a full Cook's tour. It's the only country I've missed."

His address is Capt. John Ernst, 0-1047515, APO 654, % PM, New York, N. Y.

France

From France comes word of Wally Volz of Arlington Heights.

"I have been enjoying the Herald more than I can say, especially the 'With Uncle Sam' department. Having been away from Arlington for about 9 years, with the exception of a few visits, I've lost track of quite a few of the folks from the old home town. Your paper is one way in which I can check up on some of the fellows I used to know and run around with during those good old days.

"I have visited the cities of Le Harve and Reims. Both cities are pretty nice places of course with the exception of the bombed areas. They are cleaning up the cities all the time so they are taking on a different light. The Cathedral at Reims is an impressive sight. I didn't get a chance to see the inside of it but I can imagine how ornate it is by looking at the outside."

His address is S-Sgt. Wallace A. Volz, 39007370, APO 408, % PM, New Work, N. Y.

Pvt. Warren Sessous of Wheeling is back with his former Cannon Co. in the 22nd Infantry. Pvt. Sessous was hospitalized in England for several months this winter because of a broken wrist received in an accident. While in England he visited Birmingham and several other towns.

Changing his address, presumably in France, is Fred Lauterburg of Arlington Heights. His address is Cpl. F. G. Lauterburg, 36038805 APO 758, % PM, New York, N. Y.

Pacific

Aboard a destroyer in the Pacific is Kenneth Wall of Bensenville.

"I just got my first bunch of DuPage County papers, and it was sure good to read about some of my buddies.

"I transferred from the Merchant Marine last May to the navy. The navy then sent me to Gunnery school at the N.T.C., Bainbridge, Md. From there I was sent to the West Coast (San Francisco).

"I'm on a destroyer now. I came aboard in November. It's pretty rugged duty, but as far as the navy goes I don't mind it. We would all much rather be home.

"If any of my old schoolmates have any time I'd sure like to hear from them. I don't get much on what's doing in Bensenville.

"You may like to know I got to see one of my brothers out here a couple of times (Earl Wall BM 2c). He's on a flat top. I have another brother out here whom I haven't seen yet. I also have a brother in the army in Maryland. I saw him just before leaving Bainbridge."

His address is Kenneth H. Wall, S1c (GM), % Fleet Post Office, San Francisco, Calif.

From the Pacific near the west coast comes word of Bob Dieball of Arlington Heights.

"Just changed my address again. Everything is fine here except I'm pretty tired. They've been working me from 7:30 in the morning to 10 p. m. I go to sleep fast when I hit the sack."

His address is S1c Bob Dieball, % FPO, San Francisco, Calif.

Soldiers' son wins contest of 7th army

Baby photo contests are a far cry from front line battle, but we have the record of one Arlington Heights baby that won just such a contest at a 7th army base.

Donald Hill, son of Pvt. and Mrs. Maurice Hill, was the lucky winner. Donald, who is 14 mos. old, posed for the picture perhaps knowing it was going to his dad in France. Pvt. Hill entered the picture, placing it against dozens of others from his unit. Donald was declared winner.

Pvt. Hill entered service July 1, 1944, training at Camp Blanding, Florida. He went overseas December 30, going direct to France as an infantry replacement. He was immediately sent into the front lines with the 7th army. Pvt. Hill developed trench foot, however, and he was hospitalized February 23. After being shifted

from one hospital to another, Maurice was sent to England, where he is getting along o. k., according to the last letter received from him.

Mrs. Hill is a former Chicago girl, and is living with Pvt. Hill's parents, Mr. and Mrs. Edward Hill, Palatine road. Maurice's address is Pvt. Maurice Hill, 369037-72, 4182 U. S. A. Hosp. Plant, APO 349, % PM, New Yor, N. Y.

Sailor plays basketball on carrier

Lieutenant Herbert H. Freise, 27, USNR, of Palatine, is a guard on the basketball quintet of an escort aircraft carrier of the U. S.

Atlantic Fleet. Although the squad can only get together by squeezing practice time in between their military duties (and even then their court is the rolling hangar deck of the carrier), they have run up the enviable record of 6 wins in 7 games against both ship and shore opponents.

Herb was formerly a member of the varsity squad at Valparaiso College, Valparaiso, Ind. He is serving at sea as the assistant Construction and Repair officer of the escort carrier.

Lieut Friese is the son of Mr. and Mrs. Louis H. Freise of Palatine. He wears the campaign ribbons of the American, European-African and Asiatic-Pacific theaters of war.

THE OLD JUDGE SAYS...

"Adding another War Bond to your collection, eh, Judge?"

"Yes, Josh, I've always looked upon buying Bonds as one of the best ways older folks like me here at home can help our fighting men overseas. For the past couple of years I've put every extra cent I had into them . . . not only during the War Bond drives . . . but on a regular basis. Of course, when there's a drive on I always try to buy an extra one or two."

"We've done the same in our family, too, Judge. We figure the more we buy . . . the better we equip our men . . . the quicker they'll finish their big job and come marching home again."

"That's the spirit, Josh. And let's be sure of one more thing. Let's be sure that they come back to the same kind of place they left. While they are away and can't express their opinions, let's not make any decisions on things that are going to concern them in years to come."

Okra and sweet potatoes, lettuce, and tomatoes would occasionally flavor the ever present rice. "We were rationed on salt," said Lt. Breese. "Only half a cup every six weeks, and of course no sugar."

Cigarette smokers evolved a sort of "smoke" from papaya leaves, tea or eucalyptus leaves. "But I found out you weren't supposed to inhale eucalyptus leaves," Lt. Breese said. "It strangles you." Last Christmas each prisoner was given five native cigars and four cigarettes. Some of the nurses smoked the cigars by chopping them up in fine pieces, then rolling them in paper like cigarettes.

"I still can't quite believe it," said Lt. Breese. "We were all so used to being told what to do and when to do it that it seems unbelievable that I'm free to do what I like. I want to go shopping again," she said wistfully. "Not once in three years have I been able to buy anything!"

Feel fine

"But there's really not much I can buy," she said, looking down at her new uniform. "Just pretty undies and gowns, maybe."

Lt. Breese said she "felt fine,' and was "just a little tired, maybe." She hadn't been sick except for bouts of malaria.

None of the civilians in Santo Tomas suffered mistreatment except lack of food. "Oh, there were restrictions, and plenty of them,' explained Lt. Breese. "It got much worse after the Japanese military took over the camp from the Japanese civilian government in February, 1944. But we weren't treated nearly so badly as our soldiers were. After we were freed, we saw some of them. They were so thin—the size of their legs no bigger than my wrist—it was unbelievable people could be so thin and still live."

Lt. Breese is expected to visit Arlington Heights next week. She was rescued February 4 at Santo Tomas prison camp in Manilla in the Philippines.

Florida

From Green Cove Springs, Florida, comes word of Jim Millay of Arlington Heights.

"Should have written sooner but time seems to fly when you are kept busy. Flying and ground school keep us on the run most of the day.

"Had a wonderful time on my leave in Arlington Heights a few

weeks ago. The old town hasn't changed much except for the decrease in the male population.

"We are flying the FM2, the latest version of the Wildcat which is one of the best Navy fighter planes. Our stay here should be for another six or seven weeks. While still here we check out on a carrier anchored just off the Florida coast. From here we will most likely ship to the West Coast, where we will form a squadron or be sent out as replacements.

"This Florida sunshine sure seems to hit the spot after spending a few weeks in the zero weather of Arlington. Found out Oren Brada of Arlington is across the river in St. Augustine so plan on visiting him in the near future.

"Want to thank the people of Arlington Heights for the traveling bank a few weeks back."

His address is Ens. James Millay, Box 7, NAS Lee field, Green Cove Springs, Florida.

Heavy Catch

Although some shrimp are caught throughout the year, the fall season is the period of peak production.

Belgium

From Belgium comes word of Lynn Olson of Palatine.

"I don't think you can comprehend the extent of the damage to whole cities and towns over here. When they rebuild this mess there will certainly be opportunity for sensible planning of cities. Entire

cities will have to be rebuilt house by house, street by street. In many places the picturesque European town will be a thing of the past, replaced by modern, square designs. I'd surely hate to see the U. S. in such a condition.

"The lady of the house baked apple pie for us tonight so we had apple pie with coffee. Could have gone to a show tonight but for some reason I felt like sitting in the living room taking it easy. The people here treat us as if we were their own children. They'll do anything for 'those Yanks'. I'll have a soft place to sleep tonight.

"Just received a copy of the Enterprise. I always follow the pages of 'With Uncle Same'. One can find out where some of the fellows went, although they don't all write in. Surprises one to see the names of those who were little kids when I was inducted now reporting for their physicals."

His address is Pvt. A. L. Olson, 36670891, APO 84, % PM, New York, N. Y.

The air force unit of which Cpl. Harold Vetter of Arlington Heights is a member has been awarded the Presidential Citation for their work against the Nazis. Harold was stationed in France at the time of award, but is now in Belgium.

Cpl. Vetter reports the biggest news over there is the terrific amount of rain. He states they practically wade in mud.

His address is Cpl. Harold Vetter, 36644982, APO 151, % PM, New York, N. Y.

From Belgium comes a short note from John Ernst of Arlington Heights.

"At the moment we are still in Belgium and I hope we stay put. If I get to Holland I'll have a full Cook's tour. It's the only country I've missed."

His address is Capt. John Ernst, 0-1047515, APO 654, % PM, New York, N. Y.

France

From France comes word of Wally Volz of Arlington Heights.

"I have been enjoying the Herald more than I can say, especially the 'With Uncle Sam' department. Having been away from Arlington for about 9 years, with the exception of a few visits, I've lost track of quite a few of the folks from the old home town. Your paper is one way in which I can check up on some of the fellows I used to know and run around with during those good old days.

"I have visited the cities of Le Harve and Reims. Both cities are pretty nice places of course with the exception of the bombed areas. They are cleaning up the cities all the time so they are taking on a different light. The Cathedral at Reims is an impressive sight. I didn't get a chance to see the inside of it but I can imagine how ornate it is by looking at the outside."

His address is S-Sgt. Wallace A. Volz, 39007370, APO 408, % PM, New Work, N. Y.

Pvt. Warren Sessous of Wheeling is back with his former Cannon Co. in the 22nd Infantry. Pvt. Sessous was hospitalized in England for several months this winter because of a broken wrist received in an accident. While in England he visited Birmingham and several other towns.

Changing his address, presumably in France, is Fred Lauterburg of Arlington Heights. His address is Cpl. F. G. Lauterburg, 36038805 APO 758, % PM, New York, N. Y.

Aboard a destroyer in the Pacific is Kenneth Wall of Bensenville.

"I just got my first bunch of DuPage County papers, and it was sure good to read about some of my buddies.

"I transferred from the Merchant Marine last May to the navy. The navy then sent me to Gunnery school at the N.T.C., Bainbridge, Md. From there I was sent to the West Coast (San Francisco).

"I'm on a destroyer now. I came aboard in November. It's pretty rugged duty, but as far as the navy goes I don't mind it. We would all much rather be home.

"If any of my old schoolmates have any time I'd sure like to hear from them. I don't get much on what's doing in Bensenville.

"You may like to know I got to see one of my brothers out here a couple of times (Earl Wall BM 2c). He's on a flat top. I have another brother out here whom I haven't seen yet. I also have a brother in the army in Maryland. I saw him just before leaving Bainbridge."

His address is Kenneth H. Wall, S1c (GM), % Fleet Post Office, San Francisco, Calif.

From the Pacific near the west coast comes word of Bob Dieball of Arlington Heights.

"Just changed my address again. Everything is fine here except I'm pretty tired. They've been working me from 7:30 in the morning to 10 p. m. I go to sleep fast when I hit the sack."

His address is S1c Bob Dieball, % FPO, San Francisco, Calif.

Soldiers' son wins contest of 7th army

Baby photo contests are a far cry from front line battle, but we have the record of one Arlington Heights baby that won just such a contest at a 7th army base.

Donald Hill, son of Pvt. and Mrs. Maurice Hill, was the lucky winner. Donald, who is 14 mos. old, posed for the picture perhaps knowing it was going to his dad in France. Pvt. Hill entered the picture, placing it against dozens of others from his unit. Donald was declared winner.

Pvt. Hill entered service July 1, 1944, training at Camp Blanding, Florida. He went overseas December 30, going direct to France as an infantry replacement. He was immediately sent into the front lines with the 7th army. Pvt. Hill developed trench foot, however, and he was hospitalized February 23. After being shifted

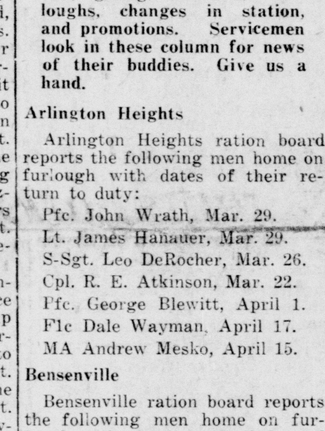

from one hospital to another, Maurice was sent to England, where he is getting along o. k., according to the last letter received from him.

Mrs. Hill is a former Chicago girl, and is living with Pvt. Hill's parents, Mr. and Mrs. Edward Hill, Palatine road. Maurice's address is Pvt. Maurice Hill, 369037-72, 4182 U. S. A. Hosp. Plant, APO 349, % PM, New Yor, N. Y.

Sailor plays basketball on carrier

Lieutenant Herbert H. Freise, 27, USNR, of Palatine, is a guard on the basketball quintet of an escort aircraft carrier of the U. S.

Atlantic Fleet. Although the squad can only get together by squeezing practice time in between their military duties (and even then their court is the rolling hangar deck of the carrier), they have run up the enviable record of 6 wins in 7 games against both ship and shore opponents.

Herb was formerly a member of the varsity squad at Valparaiso College, Valparaiso, Ind. He is serving at sea as the assistant Construction and Repair officer of the escort carrier.

Lieut Friese is the son of Mr. and Mrs. Louis H. Freise of Palatine. He wears the campaign ribbons of the American, European-African and Asiatic-Pacific theaters of war.

THE OLD JUDGE SAYS...

"Adding another War Bond to your collection, eh, Judge?"

"Yes, Josh, I've always looked upon buying Bonds as one of the best ways older folks like me here at home can help our fighting men overseas. For the past couple of years I've put every extra cent I had into them . . . not only during the War Bond drives . . . but on a regular basis. Of course, when there's a drive on I always try to buy an extra one or two."

"We've done the same in our family, too, Judge. We figure the more we buy . . . the better we equip our men . . . the quicker they'll finish their big job and come marching home again."

"That's the spirit, Josh. And let's be sure of one more thing. Let's be sure that they come back to the same kind of place they left. While they are away and can't express their opinions, let's not make any decisions on things that are going to concern them in years to come."

A Comprehensive Review and Analysis of the Sports News of the Week

GERALD A. McELROY

Most of the Northwest and Northeast coaches saw the state tournament at Champaign the past week-end and all agreed that it was one of the best of all time. As usual there were a few teams so weak that one wondered how they got that far. Two of these appeared out of the class of the rest of the tournament. All agreed that the quarter-final game in which Decatur beat Galesburg 73-72 in an overtime was the best ball game ever played in the state finals if not in the history of Illinois prep basketball.

Favorites reach the finals

As was predicted by the experts, Champaign and Decatur went to the finals and favored Decatur was the 62-54 winner, leading all the way. The lower bracket was filled with tough teams. On the basis of tournament play it looked ilke three teams that did not make the semi-finals were among the best five in the meet. These three were Galesburg, Morton, and West Frankfort. A blind draw pitted some of the best teams against each other in early rounds.

Five tournament records set and one tied

The tournament set several records. One was the top scoring total of 77 points made by Champaign against little Somanauk and Decatur over Collinsville. A second was the 34 points scored by Doster of Decatur against Collinsville and a third was the most field goals in one game, the 16 made by Doster. The 73-72 Decatur victory over Galesburg set a new game total by 22 points over the former record. Decatur set a new team tourney of 274 points for a 68.5 point average and Doster tied the tourney record of 96 points in four games.

Champaign in sensational rally.

Most surprising rally in the tournament was that of Champaign who came from behind 12 points to nose out Morton in the final four minutes. Champaign had a 10 point deficit with but three minutes left. Another spectacular finish was that of Moline who beat Elgin 41-39 in the last 20 seconds. Elgin led 39-37 with 20 seconds to go but little five foot seven Dwight Humphries of Moline hit a long one and then stole the ball from Elgin and dribbled the length of the floor to score the winner with four seconds remaining. Humphries got 22 points in that game and was named on the all tournament five.

The game of games: Decatur 73, Galesburg 72

But all the tournament games played since state tournaments were started in Illinois took a back seat for Decatur's 73-72 win over Galesburg. As all sports announcers said, this was the championship game though played in the second round. For smooth ball handling and phenomenal shooting this had them all beat. It was not just a few hot shooters but every boy on both teams played exceptional ball.

For instance Decatur scored 31 baskets in 66 shots for 47 per cent and Galesburg made 29 out of 90 for 32 per cent. Galesburg led the first quarter 21-12 but Decatur closed the gap and it was nip and tuck the rest of the way. Decatur led 41-40 at the half and Galesburg 55-54 going into the final period. With just a few seconds to play Galesburg led 66-62 but Rutherford of Decatur was fouled. He made the first free throw, took the ball out of bounds, and flipped a pass to Doster who scored to tie it up 66 all just as the gun sounded.

In the overtime it was the same story. Galesburg led 72-71 as they scored with 30 seconds to play but Decatur came down with the ball and when Riley missed a shot Doster, who got the tying basket in the final seconds of the fourth quarter, drove in and rebounded for the winning basket.

Champaign had good luck and bad luck

Champaign may have had a lot of luck to come from behind 12 points and nose out Morton 47-46 but they had plenty of the bad variety. Jim Cottrell, regular guard and best ball handler, was in the hospital throughout the tourney with a throat infection and Center John McDermott suffered a compound fracture of the ankle in the Morton game. That Champaign went all the way to the finals with such a handicap is unusual. As one coach said there was no question but what Champaign had the best squad of 10 players in the state.

Two Decatur stars on all state team

The all tournament team was an easy pick this year with Doster and Riley of Decatur, Humphries of Moline, McClure of Galesburg, and Clements of Champaign. Doster made 96 points in four games for a 24 point average to tie the record and his team mate, tall, six-foot-seven Riley, scored 92 for a 23 point average. Not long ago 24 points was the tournament single game record. Decatur set a team tourney scoring record with 275 points for a 69 per game average.

Vote Frosh-Soph football schedule

The coaches of the Northwest Conference took a forward step Monday night when they voted to arrange a frosh-soph football schedule for next fall to parallel the varsity schedule. The same teams will meet on Mondays during the season which met in varsity competition the previous Friday or Saturday. This should make underclass football a real attraction to the younger boys and put it on a basis equal to that of lightweight basketball. It is a move that should eventually bring a great rise in the calibre of Northwest Conference varsity football which the past few years has not been too good.

Conference track meet May 23

The Northwest Conference track and field meet will as usual be held at Palatine and the night set is Wednesday, May 23 starting at 6:00 p. m. The idea of a twilight meet has met with favorable approval from all schools and will be continued. Antioch, Barrington, Bensenville, and Palatine will have track while Northbrook and Wauconda are expected to enter a few boys in the meet. Since the conference reorganized Palatine and Bensenville have each won the meet three times. The Bisons are the defending champs.

Stutzman & Graham get Northwest offices

Earl Stutzman, Palatine head coach of football and basketball, was elected president of the Northwest Coaches organization at the spring meeting Monday night. Franklin Graham of Barrington who handles basketball and baseball will be secretary for the next year.

Mooseheart coming to the relays

Several new schools to enter the Palatine Relays may come to the meet this year. Mooseheart has written asking an invitation to the meet. The coach at Morrison, Ill., saw coach Stutzman of Palatine at the state tourney and inquired about getting in the meet. The reputation of the meet has traveled well down to the center of the state.

Get scoring report from Lake Forest

Lake Forest who was not listed in the Northeast Conference individual scoring last week got a report in a day after the sport page was printed but it did not help much for the totals are for all the Lake Forest games including the conference contests. Evans had 116 in 15 games, Rose 106, Lynch 72, Jones 63, Conover 32, Brooks 22, and Barker 15. The information was sent by Wallie Brooks, sports editor of the Forest Scout, who will send in dope from time to time on Lake Forest track activities as he did football last fall. It looks like the defending Palatine Relays and Northeast Conference champion Lake Forest team would be plenty good again this year.

Dundee grade team is state champ

One reason Dundee has such consistently good varsity basketball is because the boys start young. Last week Dundee grade school boys won the state tournament by defeating Paris in the finals 31-29 in two overtimes. To reach the finals they beat Chillicothe 60-14 Canton 28-26, and Chestnut 23-11.

Champaign expects to win state in 1946

But for bad luck which cut off two of the best players from their tournament squad Champaign might have taken the state instead of winning second this year but they look to 1946 as being even better for them. Beach, fourth high scorer of the tournament, is a Champaign sophomore forward as is Major who pulled the Morton game out of the fire. The center McDermott who broke his ankle in the Morton game is a sophomore. Cottrell, great ball handling guard and a regular is a junior as is Harrison, a reserve guard. This year Champaign started with two regulars and no reserves from their squad returning. Next year it will be two regulars and three reserves returning. Coaches who watched Champaign play stated that it made little difference in the quality of playing who ever was in the Champaign lineup their squad was that evenly matched in ability.

Award letters to eighteen at Palatine high

Eighteen Palatine high boys received letter awards at the Lions Club athletic dinner held Wednesday night at the Lutheran school. After talks about athletics were given by Stutzman, Stinson, and McElroy of the high school coaching staff letters for basketball were awarded. Eight varsity letters were given out by Coach Stutzman to Captain Edward Kinsch, Clarence Vogt, Milton Hapke, and John Rose, seniors; Albert Toppel, Roger Smith, and Ray Howes, juniors; and Robert Birks, sophomore. Manager letters were awarded to Charles Smith and Harry Boobyer.

G. A. McElroy, lightweight coach, named eight boys to receive minor letters including Capt. Dick Kolze, Leon LeBaron, Harry Gustafson, and Robert Henker, sophomores; John Freye, Lynn Thompson, and Willard Knigge, juniors; and Dick Pepper, freshman. Football lettermen who were introduced included Capt. Tom Moody, Joe Jost, Mel Cook, Tom Ullock, Roy Hansen, Edward Kinsch, John Rose, and Donald Stephan, seniors; Roger Smith and Willard Gates, juniors; and Robert Sander and Leon LeBaron, sophomores.

John Rose is the only boy in school entitled to wear a letter bearing the emblems of the three major sports, football, basketball, and track. Clarence Vogt and Milton Hapke have won letters in basketball, track and cross country.

2 new scholarships at Northwestern

Two scholarships have been established in the Medill School of Journalism of Northwestern University in memory of the late Douglas C. McMurtrie, nationally known authority in the field of typography, Dean Kenneth Olson announced today.

The scholarships, totalling $100 each per year, were contributed by the Industrial Editors' Association of Chicago, and will be granted to evening journalism students beginning with the fall semester, 1945.

Sue tavern for drinker's accident

Dorothy Peebles and Bert Blumenthal have sued Arthur Moller doing business as Art Moller's Chicago House in Wheeling for $15,000 damages each for injuries they sustained by being run down by a car driven by Walter Gunkel on Mannheim road near Belmont avenue, June 18. They allege that Gunkel was drunk from liquor sold him at this tavern on June 17 and 18, causing him to drive upon them. The suit is under the dram shop act.

Palatine lines up full schedule for track

Palatine has lined up a very complete track schedule for the coming season with eight varsity duals and six frosh-soph duals in addition to taking part in a number of big meets. The varsity will be in the Palatine Relays, the State District meet, and the Northwest Conference meet. The frosh-sophs will enter the Evanston North Shore Frosh-Soph meet and the Northeast-Northwest Conference Frosh-Soph meet to be held at Arlington.

Coach Stinson has a large number of boys working out daily taking advantage of the balmy weather to get an early start in training. A number of boys are looking good and a large number are coming along and will be ready for the first varsity meet April 13. Good marks made in practice are a number of throws over 120 feet with the discus turned in by John Rose. Roy Hansen has hit 38 feet or better in the shot and Tom Moody is doing well in both weight events. Willard Gates high jumped 5' 2½" Monday night for a good early season mark. Moehling is going over nine feet already in the pole vault. Stevenson, a freshman has made close to the 19 foot mark in the broad jump. Stan Arendt has breezed a 220 nearly as fast as his best efforts of last year. Milt Hapke and Bob Henker are rounding into form in the distance events. Finding capable hurdlers and sprinters to perform as relay teams will be a big problem but there are a lot of promising boys who may develop into winners.

Walther league frosh take second in tourney

Lose to Forest Park, 34-23

March 18 the St. Peter Lutheran Freshmen Walther League basketball team put up a good fight in the Northern Illinois District Tournament. It had taken two victories to place the Freshmen in the semi-finals at Austin high, Chicago. The Arlington Leaguers won an easy victory 35 to 16 over St. Paul, Chicago Heights, in a 3:00 p. m. game to place them in the finals at 7:00 p. m. St. John, Forest Park, came from behind in the last half to eliminate the Freshmen in their final encounter.

In the afternoon game the St. Peter starting team built up an early lead and left the second half to a supporting five. The scoring was evenly spread between Victor Heimsoth, Art Bathje, Bill Kleiner, and Willard Hogreve of the starting team with Bob Striggow doing a good job at the back guard position.

The second five composed of Kenneth Gronert, Alvin Kehe, Ronnie Obermann, Orville Schaeffer and Lloyd Meyer held the early lead and built up the final score. Lloyd Meyer led the scoring for this squad with 11 points.

In the elimination game the Forest Park Freshmen (coached by an Arlington son, Fred Meyer) in their first appearance of the day, used a combination of their freshness, fine floor play, and excellent shooting to top the local boys 34 to 23. The St. Peter Quintet fought hard to maintain the slight lead they held the first half and into the third period. The strain began to tell when early in the last period two of the outstanding players of the Arlington team, Bill Kleiner and Willard Hogreve left the game via the five foul rule. Though the remaining boys fought to the last whistle it was impossible to regain the lost lead and the boys had to be content with second place in the tournament. Considering that the eleven teams entered were all representatives of their respective zones where they were champions it was certainly a good showing for the St. Peter Walther Leaguers.

Arlington Jr. Walther league five are champs

Win two games Sunday to take tournament

March 18 was for the Junior Walther Leaguers of St. Peter Lutheran church, a day of triumph. They eliminated all foes to become the champions of the Junior Division, Northern Illinois District Walther League basketball tournament.

In the semi-finals by virtue of a quarter final victory on the previous Sunday, the local boys did not find it all smooth sailing when they nosed out Salem, Blue Island in a close 28-26 finish. The evening finals at Austin High, Chicago, found the St. Peter Leaguers out in front with a 39 to 25 victory over St. John's, Mayfair of Chicago. The winning squad included boys from Arlington and Mt. Prospect—all members of the St. Peter Jr. Walther League.

In the afternoon semi-finals the local five had their closest game of the tournament. Taking an early lead St. Peter painstakingly built it up until going into the last period they held a 10 point margin. The fast Salem team hit a number of surprisingly accurate long shots and the local quintet put in a couple baskets to finish in a sweat with only a 2 point margin.

The evening finale was an easier encounter for the Champions. They built up a good lead early in the game and settled down to protect and build up this lead as witnessed by the final 14 point margin.

The St. Peter squad played together in a smooth way making it impossible to give outstanding credit to any one player. Credit is due all the boys for their individual and team-play. In the first game individual scoring was rather even with high scoring honors going to Arnold Bathje with 8 points.

In the final game Hank Ehard with 10 points and Bob Botterman with 9 points shared scoring honors. These men were supported with outstanding play by George Busse, Bob Kleiner, Wm. Wille and Jimmie Holste.

Fifteen teams, each in the district contest as winners in their own zone, were out for the Junior championship. Congratulations to the boys who brought home the tropny.

Keep Covered

Left-over cooked foods should be kept cold and covered, used promptly, especially in warm weather, and, if possible, heated thoroughly before being served again. Dangerous poisons sometimes develop in such foods without making noticeable changes in taste or smell.

Questions on G. I. bill

In this column, questions about the rights of servicemen and their dependents are answered by the Veterans Employment Representative attached to the United States Employment Service at 5306 W. Lawrence Avenue. He is Charles E. Karasek. Other questions and answers will be published in future issues.

Question: When I entered the armed forces, my employer was paying me $60.00 a week. He hired a man to take my place at $55.00 a week. When I was discharged from the service, I returned to my former employer to apply for my former job. I was told I could have it back, but at $55.00 a week, instead of the former salary. Am I entitled to the salary I earned before I went into service?

Answer: Yes. You are entitled to your former job, at its former salary. Go to your local Selective Service Board for assistance in obtaining your former salary.

Question: Before I entered service I was a machinist and experienced toolmaker. Now I want to start my own machine shop business. Where can I obtain assistance in obtaining equipment and materials?

Answer: The Smaller War Plants Corporation, 226 W. Jackson Boulevard, will assist veterans who wish to start up small businesses of this kind. Get in touch with the Veterans' Employment Representative at your local United States Employment Service office. He will see that you are put in touch with the appropriate agency or agency.

Question: Is a veteran of the first World War entitled to readjustment allowance (unemployment compensation) benefits provided by the G. I. Bill?

Answer: No. Only those veterans who served 90 days or more in the armed services, at least 16 days of which were after September 16, 1940, and were discharged under conditions other than dishonorable, are eligible.

Question: How long after discharge from the service may a veteran of World War II receive readjustment allowance benefits?

Answer: He may draw benefits for a period of weeks which is determined by his length of service, the maximum of which is 52 weeks of benefits. He may draw benefits over a period of two years after the end of the war or his separation from service, whichever occurs later.

Dog Days

Dog days come at the end of July, and last from four to six weeks. The ancients named the time from the rising of Sirius, the brightest star in the constellation Canis Major or the "great dog." Sirius is also called the "dog star." Its ascent, in modern times, begins about July 30. It was once believed that dogs are likely to have fits during this period.

Control Bitterweed

Bitterweed in pastures can be controlled if the plants are not allowed to produce seed. Often three mowings are required, the first about six inches from the ground with plants in bloom.

Mac Says ....

A Comprehensive Review and Analysis of the Sports News of the Week

GERALD A. McELROY

Most of the Northwest and Northeast coaches saw the state tournament at Champaign the past week-end and all agreed that it was one of the best of all time. As usual there were a few teams so weak that one wondered how they got that far. Two of these appeared out of the class of the rest of the tournament. All agreed that the quarter-final game in which Decatur beat Galesburg 73-72 in an overtime was the best ball game ever played in the state finals if not in the history of Illinois prep basketball.

Favorites reach the finals

As was predicted by the experts, Champaign and Decatur went to the finals and favored Decatur was the 62-54 winner, leading all the way. The lower bracket was filled with tough teams. On the basis of tournament play it looked like three teams that did not make the semi-finals were among the best five in the meet. These three were Galesburg, Morton, and West Frankfort. A blind draw pitted some of the best teams against each other in early rounds.

Five tournament records set and one tied

The tournament set several records. One was the top scoring total of 77 points made by Champaign against little Somanauk and Decatur over Collinsville. A second was the 34 points scored by Doster of Decatur against Collinsville and a third was the most field goals in one game, the 16 made by Doster. The 73-72 Decatur victory over Galesburg set a new game total by 22 points over the former record. Decatur set a new team tourney of 274 points for a 68.5 point average and Doster tied the tourney record of 96 points in four games.

Champaign in sensational rally.

Most surprising rally in the tournament was that of Champaign who came from behind 12 points to nose out Morton in the final four minutes. Champaign had a 10 point deficit with but three minutes left. Another spectacular finish was that of Moline who beat Elgin 41-39 in the last 20 seconds. Elgin led 39-37 with 20 seconds to go but little five foot seven Dwight Humphries of Moline hit a long one and then stole the ball from Elgin and dribbled the length of the floor to score the winner with four seconds remaining. Humphries got 22 points in that game and was named on the all tournament five.

The game of games: Decatur 73, Galesburg 72

But all the tournament games played since state tournaments were started in Illinois took a back seat for Decatur's 73-72 win over Galesburg. As all sports announcers said, this was the championship game though played in the second round. For smooth ball handling and phenomenal shooting this had them all beat. It was not just a few hot shooters but every boy on both teams played exceptional ball.

For instance Decatur scored 31 baskets in 66 shots for 47 per cent and Galesburg made 29 out of 90 for 32 per cent. Galesburg led the first quarter 21-12 but Decatur closed the gap and it was nip and tuck the rest of the way. Decatur led 41-40 at the half and Galesburg 55-54 going into the final period. With just a few seconds to play Galesburg led 66-62 but Rutherford of Decatur was fouled. He made the first free throw, took the ball out of bounds, and flipped a pass to Doster who scored to tie it up 66 all just as the gun sounded.

In the overtime it was the same story. Galesburg led 72-71 as they scored with 30 seconds to play but Decatur came down with the ball and when Riley missed a shot Doster, who got the tying basket in the final seconds of the fourth quarter, drove in and rebounded for the winning basket.

Champaign had good luck and bad luck

Champaign may have had a lot of luck to come from behind 12 points and nose out Morton 47-46 but they had plenty of the bad variety. Jim Cottrell, regular guard and best ball handler, was in the hospital throughout the tourney with a throat infection and Center John McDermott suffered a compound fracture of the ankle in the Morton game. That Champaign went all the way to the finals with such a handicap is unusual. As one coach said there was no question but what Champaign had the best squad of 10 players in the state.

Two Decatur stars on all state team

The all tournament team was an easy pick this year with Doster and Riley of Decatur, Humphries of Moline, McClure of Galesburg, and Clements of Champaign. Doster made 96 points in four games for a 24 point average to tie the record and his team mate, tall, six-foot-seven Riley, scored 92 for a 23 point average. Not long ago 24 points was the tournament single game record. Decatur set a team tourney scoring record with 275 points for a 69 per game average.

Vote Frosh-Soph football schedule

The coaches of the Northwest Conference took a forward step Monday night when they voted to arrange a frosh-soph football schedule for next fall to parallel the varsity schedule. The same teams will meet on Mondays during the season which met in varsity competition the previous Friday or Saturday. This should make underclass football a real attraction to the younger boys and put it on a basis equal to that of lightweight basketball. It is a move that should eventually bring a great rise in the calibre of Northwest Conference varsity football which the past few years has not been too good.

Conference track meet May 23

The Northwest Conference track and field meet will as usual be held at Palatine and the night set is Wednesday, May 23 starting at 6:00 p. m. The idea of a twilight meet has met with favorable approval from all schools and will be continued. Antioch, Barrington, Bensenville, and Palatine will have track while Northbrook and Wauconda are expected to enter a few boys in the meet. Since the conference reorganized Palatine and Bensenville have each won the meet three times. The Bisons are the defending champs.

Stutzman & Graham get Northwest offices

Earl Stutzman, Palatine head coach of football and basketball, was elected president of the Northwest Coaches organization at the spring meeting Monday night. Franklin Graham of Barrington who handles basketball and baseball will be secretary for the next year.

Mooseheart coming to the relays

Several new schools to enter the Palatine Relays may come to the meet this year. Mooseheart has written asking an invitation to the meet. The coach at Morrison, Ill., saw coach Stutzman of Palatine at the state tourney and inquired about getting in the meet. The reputation of the meet has traveled well down to the center of the state.

Get scoring report from Lake Forest

Lake Forest who was not listed in the Northeast Conference individual scoring last week got a report in a day after the sport page was printed but it did not help much for the totals are for all the Lake Forest games including the conference contests. Evans had 116 in 15 games, Rose 106, Lynch 72, Jones 63, Conover 32, Brooks 22, and Barker 15. The information was sent by Wallie Brooks, sports editor of the Forest Scout, who will send in dope from time to time on Lake Forest track activities as he did football last fall. It looks like the defending Palatine Relays and Northeast Conference champion Lake Forest team would be plenty good again this year.

Dundee grade team is state champ

One reason Dundee has such consistently good varsity basketball is because the boys start young. Last week Dundee grade school boys won the state tournament by defeating Paris in the finals 31-29 in two overtimes. To reach the finals they beat Chillicothe 60-14 Canton 28-26, and Chestnut 23-11.

Champaign expects to win state in 1946

But for bad luck which cut off two of the best players from their tournament squad Champaign might have taken the state instead of winning second this year but they look to 1946 as being even better for them. Beach, fourth high scorer of the tournament, is a Champaign sophomore forward as is Major who pulled the Morton game out of the fire. The center McDermott who broke his ankle in the Morton game is a sophomore. Cottrell, great ball handling guard and a regular is a junior as is Harrison, a reserve guard. This year Champaign started with two regulars and no reserves from their squad returning. Next year it will be two regulars and three reserves returning. Coaches who watched Champaign play stated that it made little difference in the quality of playing who ever was in the Champaign lineup their squad was that evenly matched in ability.

Award letters to eighteen at Palatine high

Eighteen Palatine high boys received letter awards at the Lions Club athletic dinner held Wednesday night at the Lutheran school. After talks about athletics were given by Stutzman, Stinson, and McElroy of the high school coaching staff letters for basketball were awarded. Eight varsity letters were given out by Coach Stutzman to Captain Edward Kinsch, Clarence Vogt, Milton Hapke, and John Rose, seniors; Albert Toppel, Roger Smith, and Ray Howes, juniors; and Robert Birks, sophomore. Manager letters were awarded to Charles Smith and Harry Boobyer.

G. A. McElroy, lightweight coach, named eight boys to receive minor letters including Capt. Dick Kolze, Leon LeBaron, Harry Gustafson, and Robert Henker, sophomores; John Freye, Lynn Thompson, and Willard Knigge, juniors; and Dick Pepper, freshman. Football lettermen who were introduced included Capt. Tom Moody, Joe Jost, Mel Cook, Tom Ullock, Roy Hansen, Edward Kinsch, John Rose, and Donald Stephan, seniors; Roger Smith and Willard Gates, juniors; and Robert Sander and Leon LeBaron, sophomores.

John Rose is the only boy in school entitled to wear a letter bearing the emblems of the three major sports, football, basketball, and track. Clarence Vogt and Milton Hapke have won letters in basketball, track and cross country.

Walther league frosh take second in tourney

Lose to Forest Park, 34-23

March 18 the St. Peter Lutheran Freshmen Walther League basketball team put up a good fight in the Northern Illinois District Tournament. It had taken two victories to place the Freshmen in the semi-finals at Austin high, Chicago. The Arlington Leaguers won an easy victory 35 to 16 over St. Paul, Chicago Heights, in a 3:00 p. m. game to place them in the finals at 7:00 p. m. St. John, Forest Park, came from behind in the last half to eliminate the Freshmen in their final encounter.

In the afternoon game the St. Peter starting team built up an early lead and left the second half to a supporting five. The scoring was evenly spread between Victor Heimsoth, Art Bathje, Bill Kleiner, and Willard Hogreve of the starting team with Bob Striggow doing a good job at the back guard position.

The second five composed of Kenneth Gronert, Alvin Kehe, Ronnie Obermann, Orville Schaeffer and Lloyd Meyer held the early lead and built up the final score. Lloyd Meyer led the scoring for this squad with 11 points.

In the elimination game the Forest Park Freshmen (coached by an Arlington son, Fred Meyer) in their first appearance of the day, used a combination of their freshness, fine floor play, and excellent shooting to top the local boys 34 to 23. The St. Peter Quintet fought hard to maintain the slight lead they held the first half and into the third period. The strain began to tell when early in the last period two of the outstanding players of the Arlington team, Bill Kleiner and Willard Hogreve left the game via the five foul rule. Though the remaining boys fought to the last whistle it was impossible to regain the lost lead and the boys had to be content with second place in the tournament. Considering that the eleven teams entered were all representatives of their respective zones where they were champions it was certainly a good showing for the St. Peter Walther Leaguers.

Answer: No. Only those veterans who served 90 days or more in the armed services, at least 16 days of which were after September 16, 1940, and were discharged under conditions other than dishonorable, are eligible.

Question: How long after discharge from the service may a veteran of World War II receive readjustment allowance benefits?

Answer: He may draw benefits for a period of weeks which is determined by his length of service, the maximum of which is 52 weeks of benefits. He may draw benefits over a period of two years after the end of the war or his separation from service, whichever occurs later.

Dog Days

Dog days come at the end of July, and last from four to six weeks. The ancients named the time from the rising of Sirius, the brightest star in the constellation Canis Major or the "great dog." Sirius is also called the "dog star." Its ascent, in modern times, begins about July 30. It was once believed that dogs are likely to have fits during this period.

Palatine lines up full schedule for track

Palatine has lined up a very complete track schedule for the coming season with eight varsity duals and six frosh-soph duals in addition to taking part in a number of big meets. The varsity will be in the Palatine Relays, the State District meet, and the Northwest Conference meet. The frosh-sophs will enter the Evanston North Shore Frosh-Soph meet and the Northeast-Northwest Conference Frosh-Soph meet to be held at Arlington.

Coach Stinson has a large number of boys working out daily taking advantage of the balmy weather to get an early start in training. A number of boys are looking good and a large number are coming along and will be ready for the first varsity meet April 13. Good marks made in practice are a number of throws over 120 feet with the discus turned in by John Rose. Roy Hansen has hit 38 feet or better in the shot and Tom Moody is doing well in both weight events. Willard Gates high jumped 5' 2½" Monday night for a good early season mark. Moehling is going over nine feet already in the pole vault. Stevenson, a freshman has made close to the 19 foot mark in the broad jump. Stan Arendt has breezed a 220 nearly as fast as his best efforts of last year. Milt Hapke and Bob Henker are rounding into form in the distance events. Finding capable hurdlers and sprinters to perform as relay teams will be a big problem but there are a lot of promising boys who may develop into winners.

Arlington Jr. Walther league five are champs

Win two games Sunday to take tournament

March 18 was for the Junior Walther Leaguers of St. Peter Lutheran church, a day of triumph. They eliminated all foes to become the champions of the Junior Division, Northern Illinois District Walther League basketball tournament.

In the semi-finals by virtue of a quarter final victory on the previous Sunday, the local boys did not find it all smooth sailing when they nosed out Salem, Blue Island in a close 28-26 finish. The evening finals at Austin High, Chicago, found the St. Peter Leaguers out in front with a 39 to 25 victory over St. John's, Mayfair of Chicago. The winning squad included boys from Arlington and Mt. Prospect—all members of the St. Peter Jr. Walther League.

In the afternoon semi-finals the local five had their closest game of the tournament. Taking an early lead St. Peter painstakingly built it up until going into the last period they held a 10 point margin. The fast Salem team hit a number of surprisingly accurate long shots and the local quintet put in a couple baskets to finish in a sweat with only a 2 point margin.

The evening finale was an easier encounter for the Champions. They built up a good lead early in the game and settled down to protect and build up this lead as witnessed by the final 14 point margin.

The St. Peter squad played together in a smooth way making it impossible to give outstanding credit to any one player. Credit is due all the boys for their individual and team-play. In the first game individual scoring was rather even with high scoring honors going to Arnold Bathje with 8 points.

In the final game Hank Ehard with 10 points and Bob Botterman with 9 points shared scoring honors. These men were supported with outstanding play by George Busse, Bob Kleiner, Wm. Wille and Jimmie Holste.

Fifteen teams, each in the district contest as winners in their own zone, were out for the Junior championship. Congratulations to the boys who brought home the tropny.

Keep Covered

Left-over cooked foods should be kept cold and covered, used promptly, especially in warm weather, and, if possible, heated thoroughly before being served again. Dangerous poisons sometimes develop in such foods without making noticeable changes in taste or smell.

Expensive Matches

A dollar will buy thousands of matches, and a single match can destroy millions of dollars worth of property.

Hawaii

From Hawaii comes word of Rich Schoepke of Arlington Heights.

"Just a line or two from the so-called Paradise of the Pacific. Privilege has been granted us to tell what island we are stationed on. I'm on the Island of Hawaii, better known to others as the Big Isle.

"A few days ago while I was over at Ships Service, I met Hugo Phillipe. I sure was surprised to meet one from the home town. We had a couple talks already about good ol' Arlington. Hugo's been down under and can tell you a more thrilling story than I can. He's been on the base about a month, and expects a leave in July or thereabouts.

"All's fine with me here, and hoping it's the same your way. Working nights again and they are keeping us on the busy side of duty."

His address is AMM2c Richard Schoepke, % FPO, San Francisco, Calif.

Philippines

From the Philippines comes word of Dick Dieball of Arlington Heights.

"Well after moving around so much these last couple months, I have finally found a 'home'. All previous addresses can be forgotten and the new one added. This is part of the famed 32nd Division. It is the best here and it's also known for its jungle fighting.

"I used to be in the 33rd Div. and almost 3 years later I wind up in the 32nd Division. I should be meeting some of the fellows from the home town soon. Sure would be a treat.

"I haven't as yet received any overseas papers from home. I'm kind of curious to know just what's going on. Bowling is about over, but am still interested in the scores."

His address is Cpl. Richard Dieball, ASN 20613437, APO 32, % P M, San Francisco, Calif.

From "on my way to the Philippines" comes word of Dick Dieball of Arlington Heights.

"It's just like riding in a car out here on the Pacific. Our boat is American made and operated by the British. We sleep on deck at night and it's nice and cool. We sleep through rain or fair weather. Only hard part is getting used to the deck."

His address is Cpl. Richard Dieball, 20613437, APO 70, % PM, San Francisco, Calif.

From the Philippines comes word of Irwin Hahnfeldt of Palatine.

"I was in New Guinea for awhile and I got to see Norman Beckman a few times. Since then I have moved to the Philippines. I understand that Marvin Perry is over here too, so I hope to see him.

"I finally got assigned to an outfit again. I am now in the 43rd Division. Send my paper to my new address."

England

The Julius Garlisch family, Quentins Road, Palatine, last week received a Certificate of Valor, issued to Philip Jones. The certificate reads:

"The officers and men of the 44th Bombardment Group, Heavy, present this as testimonial of the valor of Staff Sgt. Philip G. Jones.

"His courage and devotion to duty have been an inspiration to all. April, 1944 to July, 1944. England."

Sgt. Jones has been reported missing in action over Germany, since July, 1944. No additional word has been received but the family is still hoping that he has been taken prisoner, or is in hiding.

Pvt. Alvin Bucher, formerly of Wheeling is reported in a hospital in England. He was with Patton's Third Army and injured on the western front in Germany.

Changing his address in England is Elwin Kruse of Wheeling. His address is Lt. Elwin A. Kruse, 0-2063521, APO 559, % PM, New York, N. Y.

Indiana

Donald R. Kahl, 17, son of Mr. and Mrs. Elmer Kahl, Box 44, Cloverdale, was graduated recently from the Naval Training School (Electric) on the Purdue University campus, Lafayette, Ind.

After assignment to sea duty or to a shore station, he will be eligible to earn the petty officer rate of electrician's mate third class.

The newly graduated man was selected for this special school on the basis of his recruit training aptitude test scores. The completed course of study included the use, function and maintenance of all electric tools used by the Navy. Electricity and the radio element of electricity were also included in the course.

Atlantic

Home for two days after another "cruise" in the Atlantic was Herman Becker of Arlington Heights. S1c Becker is in the navy, but sails aboard merchant ships. He left last week Tuesday to return to New York and his ship.

England

The Julius Garlisch family, Quentins Road, Palatine, last week received a Certificate of Valor, issued to Philip Jones. The certificate reads:

"The officers and men of the 44th Bombardment Group, Heavy, present this as testimonial of the valor of Staff Sgt. Philip G. Jones.

"His courage and devotion to duty have been an inspiration to all. April, 1944 to July, 1944. England."

Sgt. Jones has been reported missing in action over Germany, since July, 1944. No additional word has been received but the family is still hoping that he has been taken prisoner, or is in hiding.

Pvt. Alvin Bucher, formerly of Wheeling is reported in a hospital in England. He was with Patton's Third Army and injured on the western front in Germany.

Changing his address in England is Elwin Kruse of Wheeling. His address is Lt. Elwin A. Kruse, 0-2063521, APO 559, % PM, New York, N. Y.

Indiana

Donald R. Kahl, 17, son of Mr. and Mrs. Elmer Kahl, Box 44, Cloverdale, was graduated recently from the Naval Training School (Electric) on the Purdue University campus, Lafayette, Ind.

After assignment to sea duty or to a shore station, he will be eligible to earn the petty officer rate of electrician's mate third class.

The newly graduated man was selected for this special school on the basis of his recruit training aptitude test scores. The completed course of study included the use, function and maintenance of all electric tools used by the Navy. Electricity and the radio element of electricity were also included in the course.

Atlantic

Home for two days after another "cruise" in the Atlantic was Herman Becker of Arlington Heights. S1c Becker is in the navy, but sails aboard merchant ships. He left last week Tuesday to return to New York and his ship.

Bronze Star to Russ LaPointe

Marine First Lieutenant Russell S. La Pointe, Barrington, now serving in the Pacific, was presented the Bronze Star by his commanding officer, his citation reading: "for meritorious achievement as commanding officer of an ammunition company of a Marine Division which was assigned the task of unloading all LST's of an attack force, during operations on Guam, beginning July 21, 1944.

"By his capable direction, under most difficult and hazardous conditions, he so planned and coordinated the unloading of all LST's which were unable to beach for several days, that a continuous flow of urgently needed supplies reached the troops ashore.

"Later when LSTs were able to beach on the reef's edge, he contributed largely to the supervision of disembarking and towing of vehicles to the beach. His leadership, planning and determination throughout were in keeping with the highest traditions of the United States Naval Service."

La Pointe's parents, Mr. and Mrs. Leo La Ponte, live at 444 June Terrace, Barrington, and his wife, Mrs. Ivah La Ponte, lives in Palatine.

La Pointe is a graduate of the Barrington High School, Barrington, and also a graduate of University of Shanghai. He is a former employee of the Chicago Board of Trade. He received his commission in October, 1942.

Mississippi

Pvt. William F. Griffith, son of Mr. and Mrs. C. L. Griffith, 618 W. Campbell, Arlington Heights, has reported to Keesler Field, Miss., to take the Army Air Forces Training Command examinations to determine his qualifications as a pre-aviation cadet.

As an applicant for training that will make him a flying officer, he will be given a series of medical and psychological tests at Keesler Field which will indicate the type of air crew training for which he is best suited by aptitude and personal characteristics. He will also take other classification tests to measure his technical skills and aptitudes, and he will receive a number of phases of military training. Upon successful completion of this processing, he will be sent to the proper Army Air Forces Training Command station to begin his training as pilot, bombardier or navigator, depending upon the position for which he has been found best qualified.

From Camp Shelby, Miss., comes word of Paul Hoeft of Arlington Heights.

"Am finally getting settled here now that we've quit moving. Have been on the move all the time ever since leaving Attu. There isn't a thing to do in town, in fact it's worse than Texas.

"But I like the place better than Swift because of the way it's run. Pretty hot here and a shower now and then makes it pretty sticky.

"We begin training the trainees in another week. It's sure going to be good to give instead of take."

His address is Pfc. Paul Hoeft, Hq Co. IARTC, Camp Shelby, Miss.

West Coast

From somewhere on the West Coast comes word of Howard Bjorkman of Palatine.

"Just a few lines to let you know that I have changed my address. Am hoping that you will keep sending me the paper because I enjoy reading the Palatine Enterprise, especially the Men in Service.

"I have been aboard ship now for about 11 months and have never been out of the States but don't expect to stay here very long now."

His address is H. W. Bjorkman, MoMM 2c, % FPO, San Francisco, Calif.

Purple Heart

The Purple Heart has been given Mr. and Mrs. Albert Beese of Arlington Heights for their son, Norman, who was lost on the Liscombe Bay, first escort carrier to be lost in this war. The ship was lost in the Gilbert Islands campaigns in the fall of '43.

He was declared lost one year later, having died either during or just after the explosion that sank the ship.

Aleutians

Elmer W. Blischke, husband of Mrs. Lorraine Blischke of 315 Walnut st., Itasca, has recently been promoted to staff sergeant at an Aleutian base. S-Sgt. Blischke is a Construction Carpenter with an Engineer unit and has been stationed in the Aleutians for the past 27 months. He was inducted into the army at Chicago in May, 1942.

FA Bn. shells Germany on 500th day in combat

Cpl. Marvin Sunderlage in veteran outfit

Cpl. Marvin Sunderlage of Palatine is a member of the 151st Field Artillery Battalion, which recently marked its 500th day in combat by shelling German positions in Italy from emplacements overlooking the Po Valley.

Engaged now on the Fifth Army front, the 151st has fired more than 275,000 rounds from its 105-millimeter howitzers in the Tunisian and Italian campaigns. The outfit came overseas January 15, 1942 with its 34th "Red Bull" Division teammate, the 133rd Infantry Regiment, as part of the first United States combat team to enter the European war theater.

After serving in Northern Ireland and England, the battalion was put ashore at Oran, Northern Algeria, and committed to combat in Tunisia February 17, 1943. The 151st's intense artillery barrage at Fondouk Pass contributed greatly to withdrawal of Axis forces east of Kairouan and its bombardments at the battle of Hill 609 helped speed the destruction of the German armies in Africa.

The 151st landed on the Paestum beach on Italian D day, September 9, 1943, among early waves of infantry troops, and immediately brought fire on German tanks only 200 yards away. Some of the gun crews were driven from their posts temporarily by enemy machine gun fire.

The battalion contributed a great deal of the punch that reduced the stronghold of Altavilla and helped to beat the Jerries back to Benevento and the north bank of the Volturno River. Its gunners pounded San Pietro to a pulp and went on to join the mass of cannon that pulverized Cassino.

On the beachhead around Anzio, the 151st remained in hiding through the ominously quiet days and came out at night to harass the enemy. When the breakout came in May, the howitzers were turned on Lanuvio, the fall of which signalled an advance at full speed through Rome and Cecina to Pisa and the Arno River.

The 151st entered the Gothic Line on Highway 65 at Futa Pass and slugged ahead through mountains buried in snow to reach the heights overlooking the Po plain.

Deadline

Deadline for news for With Uncle Sam is Tuesday at 5 of each week. Pictures, letters or news of servicemen should be mailed or called direct to the publication office. Cooperation of the folks at home is sought to make a bigger and better With Uncle Sam.

Warm weather brings out roses

The record summer weather has suddenly forced into bloom many thousands of the roses which Chicago growers were preparing for their Easter trade. Temperatures went past 100 degrees in the greenhouses in the past few days and the high heat brought roses into the flower shops today which were intended for servicemen's orders at Easter. An enormous batch of servicemen's orders have already been received from the Army Exchange Service posts at the battlefronts.

A severe shortage of Easter roses is predicted for civilian orders, though the other traditional flower varieties for Easter will be available.

Letter carriers seek correct use of road tax funds

The Illinois Rural Letter Carriers association is making a drive to prevent diversion of state highway tax funds. They feel that all taxes raised for improvement of roads should be used for just that purpose. The following editorial appeared in the National Rural Letter Carriers' magazine.

"Good roads will never be handed to those who are in the mud, and if we do not do something about it, some rural carriers and farmers will still be in the mud when Gabriel blows his horn.

"The Illinois Rural Letter Carriers' Association is participating in an organized effort to stop the diversion of road funds for other than highway purposes. Also, we have a program to re-codify the road laws of Illinois, sponsored by State Senator Arthur Van Hooser of Metropolis. We have asked every regular carrier, substitute, retired, temporary and auxiliary, to write Senator Van Hooser a letter asking him to appeal to the governor to establish a commission to study and re-codify the road laws of Illinois and make all rural route roads state aid roads. To the carriers of Illinois I again urge you to write these letters to Senator Van Hooser, and urge all farmers who will, to do likewise at once."

Such a program would undoubtedly be very valuable to every citizen who has to drive over rural roads. Many other state organizations are joining the Rural Mail Carriers in their efforts to get better roads.

Keep Ships For Midwest Profits

As Illinois makes postwar plans, industrial and transportation leaders have joined with farmers of 22 states to urge recognition of the **plus-value** of foreign trade and to stress necessity for keeping all fast U. S. ships for this trade.

While pre-war foreign trade was only five per cent of the national income, that percentage frequently represented the difference between profit and loss.

The margin, asserts the Mississippi Valley Association, is like the profit from the "gallery" of the old pre-Hollywood theater. When the movies stole the gallery, the theaters went out.

Government blueprints double postwar foreign trade—an estimate on which Henry Wallace and Jesse Jones agreed. This trade is utterly dependent on American ships. At war's end the U. S. should possess about seven and a half million tons of fast, new vessels—merely enough to carry half of our own imports and exports.

Yet unwise counsellors would have us sacrifice some of these ships by sale or charter to foreign powers, along with more than thirty million tons of slow Liberty ships we now own.

All subsidies to ship operators were cancelled by Congress in 1937 and a strictly-controlled maritime parity was substituted—solely for the benefit of U. S. crews as the guarantee of the American living standard at sea.

Even this parity, which averaged slightly more than four million dollars yearly from 1938 to 1942, is subject to reclaim by the government if the lines earn more than ten per cent on invested capital. The accompanying chart shows the relative cost of this parity.

Gems of thought

EARLY INCLINATION

'Tis education forms the common mind:
Just as the twig is bent the tree's inclined.
—Pope.

The interests of childhood and youth are the interests of mankind.
—Janes.

The training of children is a profession, where we must know how to lose time in order to gain it.
—Rousseau.

It is easier to incline the early thought rightly, than the biased mind. Children not mistaught, naturally love God; for they are pure-minded, affectionate, and generally brave.
—Mary Baker Eddy.

Of nineteen out of twenty things in children, take no special notice; but if, as to the twentieth, you give a direction or command, see that you are obeyed.
—Tryon Edwards.

When a child can be brought to tears, not from fear of punishment, but from repentance for his offence, he needs no chastisement.
—Horace Mann.

Bronze Star to Russ LaPointe

Marine First Lieutenant Russell S. La Pointe, Barrington, now serving in the Pacific, was presented the Bronze Star by his commanding officer, his citation reading: "for meritorious achievement as commanding officer of an ammunition company of a Marine Division which was assigned the task of unloading all LST's of an attack force, during operations on Guam, beginning July 21, 1944.

"By his capable direction, under most difficult and hazardous conditions, he so planned and coordinated the unloading of all LST's which were unable to beach for several days, that a continuous flow of urgently needed supplies reached the troops ashore.

"Later when LSTs were able to beach on the reef's edge, he contributed largely to the supervision of disembarking and towing of vehicles to the beach. His leadership, planning and determination throughout were in keeping with the highest traditions of the United States Naval Service."

La Pointe's parents, Mr. and Mrs. Leo La Ponte, live at 444 June Terrace, Barrington, and his wife, Mrs. Ivah La Ponte, lives in Palatine.

La Pointe is a graduate of the Barrington High School, Barrington, and also a graduate of University of Shanghai. He is a former employee of the Chicago Board of Trade. He received his commission in October, 1942.

Mississippi

Pvt. William F. Griffith, son of Mr. and Mrs. C. L. Griffith, 618 W. Campbell, Arlington Heights, has reported to Keesler Field, Miss., to take the Army Air Forces Training Command examinations to determine his qualifications as a preaviation cadet.

As an applicant for training that will make him a flying officer, he will be given a series of medical and psychological tests at Keesler Field which will indicate the type of air crew training for which he is best suited by aptitude and personal characteristics. He will also take other classification tests to measure his technical skills and aptitudes, and he will receive a number of phases of military training. Upon successful completion of this processing, he will be sent to the proper Army Air Forces Training Command station to begin his training as pilot, bombardier or navigator, depending upon the position for which he has been found best qualified.

From Camp Shelby, Miss., comes word of Paul Hoeft of Arlington Heights.

"Am finally getting settled here now that we've quit moving. Have been on the move all the time ever since leaving Attu. There isn't a thing to do in town, in fact it's worse than Texas.

"But I like the place better than Swift because of the way it's run. Pretty hot here and a shower now and then makes it pretty sticky.

"We begin training the trainees in another week. It's sure going to be good to give instead of take."

His address is Pfc. Paul Hoeft, Hq Co. IARTC, Camp Shelby, Miss.

West Coast

From somewhere on the West Coast comes word of Howard Bjorkman of Palatine.

"Just a few lines to let you know that I have changed my address. Am hoping that you will keep sending me the paper because I enjoy reading the Palatine Enterprise, especially the Men in Service.

"I have been aboard ship now for about 11 months and have never been out of the States but don't expect to stay here very long now."

His address is H. W. Bjorkman, MoMM 2c, % FPO, San Francisco, Calif.

Purple Heart

The Purple Heart has been given Mr. and Mrs. Albert Beese of Arlington Heights for their son, Norman, who was lost on the Liscombe Bay, first escort carrier to be lost in this war. The ship was lost in the Gilbert Islands campaigns in the fall of '43.

He was declared lost one year later, having died either during or just after the explosion that sank the ship.

Aleutians

Elmer W. Blischke, husband of Mrs. Lorraine Blischke of 315 Walnut st., Itasca, has recently been promoted to staff sergeant at an Aleutian base. S-Sgt. Blischke is a Construction Carpenter with an Engineer unit and has been stationed in the Aleutians for the past 27 months. He was inducted into the army at Chicago in May, 1942.

California

Cpl. John Gieseke of Wheeling is at home on a fifteen day furlough. Cpl. Gieseke has been serving as an instructor at Hammer Field, California, since returning to the states after 2½ years in India.

Now at LeMoore, California, is Clarence Pearson of Bensenville. His address is Pvt. Clarence Pearson, 461 AAFBU, Lemoore, Calif.

Idaho

Home on furlough from Mountain Home, Idaho, was Ray Atkinson of Arlington Heights. Ray arrived home Friday and left again Tuesday to return to Idaho. He will now report to a staging area and then be shipped across.

Georgia

Changing his address at Fort Benning, Georgia, is Ray Eichholz of Arlington Heights. His address is Sgt. Ray Eichholz, Tr & Engr Tng Co., Det 1 School Troops, Fort Benning, Ga.

FA Bn. shells Germany on 500th day in combat

Cpl. Marvin Sunderlage in veteran outfit

Cpl. Marvin Sunderlage of Palatine is a member of the 151st Field Artillery Battalion, which recently marked its 500th day in combat by shelling German positions in Italy from emplacements overlooking the Po Valley.

Engaged now on the Fifth Army front, the 151st has fired more than 275,000 rounds from its 105-millimeter howitzers in the Tunisian and Italian campaigns. The outfit came overseas January 15, 1942 with its 34th "Red Bull" Division teammate, the 133rd Infantry Regiment, as part of the first United States combat team to enter the European war theater.

After serving in Northern Ireland and England, the battalion was put ashore at Oran, Northern Algeria, and committed to combat in Tunisia February 17, 1943. The 151st's intense artillery barrage at Fondouk Pass contributed greatly to withdrawal of Axis forces east of Kairouan and its bombardments at the battle of Hill 609 helped speed the destruction of the German armies in Africa.

The 151st landed on the Paestum beach on Italian D day, September 9, 1943, among early waves of infantry troops, and immediately brought fire on German tanks only 200 yards away. Some of the gun crews were driven from their posts temporarily by enemy machine gun fire.

The battalion contributed a great deal of the punch that reduced the stronghold of Altavilla and helped to beat the Jerries back to Benevento and the north bank of the Volturno River. Its gunners pounded San Pietro to a pulp and went on to join the mass of cannon that pulverized Cassino.

On the beachhead around Anzio, the 151st remained in hiding through the ominously quiet days and came out at night to harass the enemy. When the breakout came in May, the howitzers were turned on Lanuvio, the fall of which signalled an advance at full speed through Rome and Cecina to Pisa and the Arno River.

The 151st entered the Gothic Line on Highway 65 at Futa Pass and slugged ahead through mountains buried in snow to reach the heights overlooking the Po plain.

Deadline

Deadline for news for With Uncle Sam is Tuesday at 5 of each week. Pictures, letters or news of servicemen should be mailed or called direct to the publication office. Cooperation of the folks at home is sought to make a bigger and better With Uncle Sam.

Warm weather brings out roses

The record summer weather has suddenly forced into bloom many thousands of the roses which Chicago growers were preparing for their Easter trade. Temperatures went past 100 degrees in the greenhouses in the past few days and the high heat brought roses into the flower shops today which were intended for servicemen's orders at Easter. An enormous batch of servicemen's orders have already been received from the Army Exchange Service posts at the battlefronts.

A severe shortage of Easter roses is predicted for civilian orders, though the other traditional flower varieties for Easter will be available.

Letter carriers seek correct use of road tax funds

The Illinois Rural Letter Carriers association is making a drive to prevent diversion of state highway tax funds. They feel that all taxes raised for improvement of roads should be used for just that purpose. The following editorial appeared in the National Rural Letter Carriers' magazine.

"Good roads will never be handed to those who are in the mud, and if we do not do something about it, some rural carriers and farmers will still be in the mud when Gabriel blows his horn.

"The Illinois Rural Letter Carriers' Association is participating in an organized effort to stop the diversion of road funds for other than highway purposes. Also, we have a program to re-codify the road laws of Illinois, sponsored by State Senator Arthur Van Hooser of Metropolis. We have asked every regular carrier, substitute, retired, temporary and auxiliary, to write Senator Van Hooser a letter asking him to appeal to the governor to establish a commission to study and re-codify the road laws of Illinois and make all rural route roads state aid roads. To the carriers of Illinois I again urge you to write these letters to Senator Van Hooser, and urge all farmers who will, to do likewise at once."

Such a program would undoubtedly be very valuable to every citizen who has to drive over rural roads. Many other state organizations are joining the Rural Mail Carriers in their efforts to get better roads.

Keep Ships For Midwest Profits

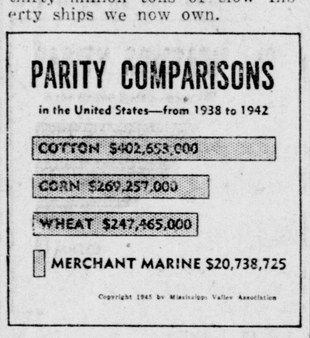

As Illinois makes postwar plans, industrial and transportation leaders have joined with farmers of 22 states to urge recognition of the **plus-value** of foreign trade and to stress necessity for keeping all fast U. S. ships for this trade.

While pre-war foreign trade was only five per cent of the national income, that percentage frequently represented the difference between profit and loss.

The margin, asserts the Mississippi Valley Association, is like the profit from the "gallery" of the old pre-Hollywood theater. When the movies stole the gallery, the theaters went out.

Government blueprints double postwar foreign trade—an estimate on which Henry Wallace and Jesse Jones agreed. This trade is utterly dependent on American ships. At war's end the U. S. should possess about seven and a half million tons of fast, new vessels—merely enough to carry half of our own imports and exports.

Yet unwise counsellors would have us sacrifice some of these ships by sale or charter to foreign powers, along with more than thirty million tons of slow Liberty ships we now own.

All subsidies to ship operators were cancelled by Congress in 1937 and a strictly-controlled maritime parity was substituted—solely for the benefit of U. S. crews as the guarantee of the American living standard at sea.

Even this parity, which averaged slightly more than four million dollars yearly from 1938 to 1942, is subject to reclaim by the government if the lines earn more than ten per cent on invested capital. The accompanying chart shows the relative cost of this parity.

Gems of thought

EARLY INCLINATION

'Tis education forms the common mind:
Just as the twig is bent the tree's inclined.
—Pope.

The interests of childhood and youth are the interests of mankind.
—Janes.

The training of children is a profession, where we must know how to lose time in order to gain it.
—Rousseau.

It is easier to incline the early thought rightly, than the biased mind. Children not mistaught, naturally love God; for they are pure-minded, affectionate, and generally brave.
—Mary Baker Eddy.

Of nineteen out of twenty things in children, take no special notice; but if, as to the twentieth, you give a direction or command, see that you are obeyed.
—Tryon Edwards.

When a child can be brought to tears, not from fear of punishment, but from repentance for his offence, he needs no chastisement.
—Horace Mann.

Serves with amphibs in 4 invasions

'Coce' Helgeson returns to Pacific

Serving in four invasions in just over a year overseas is the record of Lt. (j. g.) Harris Helgeson of Palatine. "Coce" arrived home recently after a tour of duty with the amphibious command in the Pacific, participating in the invasions of the Marshalls, Guam, Leyte and Luzon.

"Our fleets are strong enough to meet any opposition," stated Helgeson, "but life aboard one of the ships is by no means dull. There's always plenty going on and a lot of strange sights, both good and bad. My specific job was that of communications officer. Work of our staff was to plan and execute amphibious landings. I served under Admiral Connally and saw plenty of action.

"But the big reason we met with success on these landings was naval air power. You can't realize the power of carrier-based aircraft until you come in to land at a spot such as Guam with its 25 enemy airfields. We didn't see one Jap plane all the time we were there. That's certainly proof enough of the job our planes had done in eliminating enemy air opposition.

"Of course, most Nip pilots were afraid to attack us in the daytime because of the accurate fire of our anti-aircraft. They usually would come in just at dawn or at dusk. Visibility is poorer at that time and gives a slight advantage to aircraft. Our ships always laid smoke screens at those vulnerable hours.

"In the case of the Philippines, though, it was just impossible to knock out all enemy planes. There are more than 7,000 islands in that group, and the Nips hid planes everywhere, even in fruit groves.

The author

Lt. Helgeson, a graduate of Palatine high school, went overseas in January of last year. When he returned home this year he came home to both his wife and 7 month old daughter, Jane Alice.

Lt. Helgeson left Wednesday to return to the west coast and expected to go back to the Pacific.

In two adjoining stories "Coce" tells of a few of his experiences, including his story of the invasion of the Philippines at Lingayen gulf on Luzon.

But even then air opposition was lighter than expected.

"We had ringside seats for most invasions, watching operations through glasses. At one spot we were just a few hundred yards off shore and watching a group of 50 Marines inch up a mountain peak to clean out a group of Japs. The Nips suddenly let loose a mortar barrage killing many of our men. Such acts as this made you understand why Nip prisoners were guarded so closely. Often a slant-eye would be brought in for questioning with a Marine pointing a bayonet at his stomach. That Marine was always hoping the Jap would make a run for it.

"Another thing we had to watch out for in those landings were demolition swimmers. Many of the Nips would swim out to meet the ships, hiding in wreckage and hoping to be able to blow up one of our vessels. They were not successful, however."

Gives account of landings on Luzon

"On January 9, 1945, American forces landed at Lingayen Gulf, on Luzon Island, to take a big step forward in wresting the Philippine Islands back from the Japs. Lingayen Gulf is about 12 miles north of Manila, which is near Bataan, Cavite, and Corregidor, where many American heroes lost their lives at the outbreak of this war. Our strategy was again successful, as our troops were landed on schedule without meeting any heavy opposition, thousands being well inward by nightfall.

"Ships in our transport group contained reinforcement troops, who were to be landed on Sugar Plus Two day at the Lingayen beachhead, or if conditions warranted, to make an assault landing at another predetermined beachhead. In lieu of previous tasks we considered ours a secondary role. However, everyone was well aware that the Japs would be fully alerted by the time of our arrival, so we expected most anything in the way of enemy subs, planes, and surface craft, and we weren't particularly worried about things being 'too dull'. Except for reports of torpedo misses and air alerts, however, our destination was reached without mishap.

"An unexpected diversion occurred at dawn on Sugar Minus Four, when our convoy, steaming along in enemy waters, encountered a lonely sailboat directly in its path. Occupants of the sailboat had reason to be alarmed, however, a screening ship dispatched to investigate, led them to more safe waters on learning the passengers were frantically waving American and Filipino flags.

"It may be rather illuminating at this point to give you an outline of Philippine geography—you may be as surprised as we were. The following is quoted in a paraphrased version from a pamphlet on the Pacific islands: 'The chain of Philippine Islands is more than a thousand miles in length, having a coastline of 12,000 miles. It is comprised of 7,083 islands, of which only 2,441 are named. They range in size from Luzon and Mindanao, comparable in size to Kentucky and Indiana, down to pinpoint coral reefs without names.

"'These islands are not only important strategically, but for their natural resources and wealthy soil as well. There are only 17,000,000 inhabitants on these islands, but it has been estimated Mindanao Island, which now has a million inhabitants, could support a population of more than 10,000,000. The islands generally speaking, are of volcanic and coral formation, having numerous mountain ranges, which run in a northerly and southerly direction. Most of the ranges are under 6,000 feet in height, but Mount Apro, west of Davao Gulf, in Mindanao rises up to 9,610 feet. The country in the interior is generally rugged, with three quarters of the land surface having a slope greater than 10 degrees. The climate is hot and moist.' From the foregoing you can see the Philippines are quite a 'little place'.

"Our air forces did a fine job of neutralizing enemy air fields near and far, which is a mighty heartening factor to everyone participating in an operation. The above geographical outline may give you a little better idea of the task 'neutralization' entails, in the Philippines, alone. Because of their many air fields the Japs were still able to raise isolated flights, which did some damage, raids usually occuring at dawn and dusk. During these periods ships made smoke for screening purposes and we 'ate smoke'. It was also found necessary to post a special security patrol at night as a precaution against Jap barges, and demolition swimmers who might attempt to swim alongside ships behind floating debris.

"The unloading of troops and supplies proceeded in record time in spite of heavy surf, with only one serious incident being reported by our ships. Two barges in heavy fog, attempted to land at a wrong beach, and were fired upon by Japs, killing some men and wounding others. During our trip from the area the ship alongside on our starboard was hit during a Jap air raid, entailing additional casualties. The balance of the trip was made with only a few alerts. It was a 'hot' old place and we were happy to leave, but we'll be back again—as long as it is necessary."

"I am on the island of Oahu, which is one of the eight that compose the Hawaiian group. It's not big—only 40 miles long and about 26 miles wide, but it is the most important one of all for military purposes—it has Pearl Harbor and Hickam and Wheeler Air Fields among others—in fact the whole island is just lousy with the army and navy including Honolulu. I spent one day there on pass and it was mostly a matter of dodging and keeping from getting run over or stepped on. After getting away from the busy section of town there is some very nice scenery, and swell looking places with palm trees, flowers and well kept lawns.

"Most of you people back there have no doubt at some time or other heard of the beautiful Hawaiian moonlight—to add something to that and prove it I saw a rainbow the other night from the moon shining into the rain. I thought I was just seeing things at first, but a bunch of other fellows who attended an outdoor movie that night saw it too. We Keep 'em
Rollin' Along

It's our war job to keep cars and trucks moving on the highways. We're mighty proud of our record, too. Hundreds of vehicles are serviced and repaired here every month. Our shop and personnel are on the job every day. Yes, we keep 'em rollin' along.

MEINEKE'S HONEY

HONEY BUTTER made by blending one-half cup of soft butter or substitute with one-half cup of honey makes a delicious spread and saves your precious red points.

COMB HONEY alone is a delightful spread for hot biscuits and hot toast and saves even more butter points.

LIQUID HONEY for sweetening saves your sugar and gives you a more delicious and healthful sweet. Honey contains vitamins and minerals not found in sugar and is easier to digest.

HONEY RECIPE BOOK with all necessary information on using honey is only ten cents.

HONEY CANDY making will be resumed as soon as our April quota of supplies arrives.

Our shop is open from 9 to 5:30 every day except Monday.

Sorry, we can make no deliveries.

"I'm PROUD of this BADGE"

You can admire and envy those fellow citizens of yours who wear the Douglas badge. This brings them pride and satisfaction because they are serving both their country and themselves. They are doing interesting work in a cheerful modern plant. They are learning skills which can fit them for a place in one of the greatest industries of the future—aviation. And they are now making a direct and vital contribution to Victory by helping to build the C-54, companion transport plane to the B-29 Super Fortress. When you work at Douglas, you have the best job that any loyal American could have today.
